Public Comment:
Dave Lasky, 930 Crown Street – parent, teacher, and Olean Teachers’ Association President – invited Board to attend the forum which will be held on March 7th at the HS. The forum will address the Governor’s proposals and how it impacts school districts and students. The proposal includes outside teacher evaluators which will cost the District several thousands of dollars. The forum will also address new teacher tenure tracks.

Steve Pancio, 103 Eagle Crest Drive – addressed the Board of Education regarding the bidding process for the sale of Boardmanville property. He noted the bids were opened on January 3rd. The Instruction to Bidders indicated the Board has the right to accept or reject bids. In his opinion, in the best interest of the District, residents, students, and taxpayers, the property should be sold to him. The Instructions to Bidders also notes that security deposit checks would be returned to unsuccessful bidders within five (5) business days of the bid opening. His checks were not returned to him by the Business Office. Steven noted that he is promising 50 jobs and has met with the Mayor and City of Olean attorney regarding the need for a park in the Boardmanville neighborhood so families don’t have to cross a major roadway to get to the Boardman Park. Steve has addressed this issue, the soccer field with the Superintendent and the Board. He is requesting that a referendum be placed before the taxpayers and let them vote on it. Selling the property would put it back on the tax roll.
