Public Comment:

Richard Frost, 211 W. Water Street – noted that at the last board meeting it was noted that all of the recommendations from the feasibility study were done. One recommendation was for a Special Education review. Was that done? What about the Director of Special Education? Also, it was recommended technical support be done through BOCES.

Public Comment

Eric noted that various board committees are done reviewing the feasibility study recommendations.

Colleen further added that in order to share services through BOCES, you need another district that is willing share the services with you (ie, Technology Director, etc.). A district cannot get full-time services through BOCES such as a full-time CSE chair.

Moved by P. Knieser, seconded by L. Branch upon the recommendation of Colleen Taggerty, Superintendent of Schools, to adopt the 2012-2013 Cattaraugus-Allegany-Erie-Wyoming BOCES Administrative Budget.
