Communications, Commendations:

a. Congratulations to the students of Mrs. Ventura’s on their class project that screamed everything that can be right about teaching. The students: designed and performed program; the author of the play came to town from Vermont for the presentation and talked with students and the audience; Robert Lax’s niece was present and spoke also; the presentation was professional with student’s illustrating speaking to athletic skill; a result of the student program was the beginning of an annual $1000 scholarship being awarded by the Lax relatives; the ties between SBU and OHS were, once again, illustrated and strengthened by the role of students and teachers from both; and an Olean ‘citizen of the world’ was highlighted illustrating to students that people from Olean, former OHS grads, just like them, can and do indeed make an impact on the world. It was a very enjoyable, free, evening at the theater!

Discussion Item:
HUNT – Traffic Study

Public Comment:
Dave Lasky, 930 Crown Street – extended his thanks to Dave Olson for his many years of service to the Olean City School District. Dave Lasky has had the pleasure of working for Mr. Olson. Mr. Lasky’s father-in-law was a principal at East View for many years and he thanked Mr. Olson for taking care of the building his father-in-law worked at. In addition, Dave thanked Eric Garvin, President of the Board of Education, for his spirit of cooperation during his presidency and hopes for continuation.

Amy Giachetti, 704 West Henley Street – addressed the board regarding the abolishment of RN positions. She noted that she has received numerous calls from parents and members of the community regarding the abolishment and is told continuously, “they don’t care about the kids.” Amy has done a general analysis of salaries (full-time and part-time) and does not feel the cutting of RNs is worth it to the constituents.

Mrs. Singh, 320 S. 7th Street – addressed the board regarding the transportation of her children for the 2012-2013 school year. Her child that attends the Middle School is eligible for bussing, however, her youngest children attending Washington West are not eligible due to the mileage criteria (the family lives less than 1 mile from Washington West). Mrs. Singh requested that the District bus all of her children as her husband begins work at 7 am and she does not drive, therefore, she could not provide transportation for her children.

Superintendent’s Report:
a. Completing SED required paperwork for updating school listings – will submit today
