Moved by E. Garvin, seconded by G. Cross, upon the recommendation of Mark J. Ward, Superintendent of Schools, to approve the following Lead Agency and SEQRA determination:

WHEREAS, the voters of the Olean City School District (the “School District”) will be asked to approve a proposition or propositions authorizing general obligation serial bonds (and bond anticipation notes in anticipation thereof) to finance a capital construction project consisting of the additions to, and reconstruction and equipping of existing school buildings and facilities, including athletic field improvements, in the School District; and

WHEREAS, the Board of Education of the Olean City School District is principally responsible for undertaking, funding or approving the Project and its anticipated impact is primarily of local significance; and

WHEREAS, to aid the Board of Education in determining whether the project and financing and other actions of the Board in connection therewith (the “action”) may have a significant effect on the environment, the Board has caused to be prepared an environmental assessment form (“EAF”), a copy of which is attached hereto; and

WHEREAS, the Board of Education has duly reviewed the EAF and related documents with respect to the proposed action and duly considered the impacts which may be expected to result from the proposed action with the criteria (copy attached) set forth in the State Environmental Quality Review Act and the applicable regulations promulgated thereunder (“SEQRA”);

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE OLEAN CITY SCHOOL DISTRICT, NEW YORK as follows:
SPECIAL MEETING
TUESDAY, OCTOBER 30, 2007
PAGE 3

1. The Board of Education of the Olean City School District hereby declares itself and is hereby designated as Lead Agency for the proposed action and is therefore responsible for determining whether an environmental impact statement is required in connection therewith and otherwise complying with the procedural and substantive requirements of SEQRA.

2. Based upon the review by the Board of Education of the EAF, any input provided by other involved or interested agencies, and other necessary criteria set forth in SEQRA, the Board hereby finds and determines that the proposed action will result in no significant impacts and, therefore, the action is not one which “may include the potential for at least one significant adverse environmental impact,” (b) “there will be no significant adverse environmental impacts,” and (c) no “environmental impact statement” need be prepared, as such quoted terms are defined in SEQRA. The proposed action does not constitute a “type I action” as such quoted term is defined in the regulations (copy attached hereto) of New York Department of Environmental Conservation of the State of New York (6 NYCRR Part 617) and it is an “unlisted action” under SEQRA. Reasons supporting this determination are attached hereto and hereby made a part of this resolution for the purposes of SEQRA. This determination constitutes a negative declaration for purposes of SEQRA and it has been prepared in accordance with Article 8 of the Environmental Conservation Law.

3. A copy of this resolution, together with notice of negative declaration, shall be placed on file in the Office of the District Clerk where the same shall be available for public inspection during business hours and such notice of negative declaration shall be filed in such offices, posted in such places and published in such manner as shall be necessary to conform to the requirements of SEQRA.

This resolution shall take effect immediately.
