Public Comment:
Steve Pancio, 103 Eagle Crest Drive, Olean – noted that he purchased the former Boardmanville Elementary School approximately a year or so ago. Part of the soccer field was sold with the land and he offered, on several different occasions, to allow the district to use the portion of the property he purchased so for soccer games. Mr. Pancio never heard anything back from the District. In January 2013, he asked the Superintendent for a referendum to purchase the rest of the property. Steve requested that the property transaction be handled the same way that the sale of property to Mazza was handled. In June 2014, he requested a referendum again to purchase the Boardmanville property in the same manner the sale of property to Mazza was handled and he never heard back from the Superintendent. Steve noted that a recent legal notice was published and the asking price is too much – more than 1000% of the assessed value. In his proposal to the District, part of the vacant land would include a much needed playground for the neighborhood. The City Alderman Mr. Lefeber was very much in favor of a playground. Allowing Steve to purchase the remaining property would have created 50 new jobs.
