April 30, 2019 Cafeteria Profit and Loss
• Kathy reviewed the P&L; meal participation continues to grow; good quality food is being served; Kevin Fisher is always working on improvements (ie, salad bar at high school and middle school; new equipment)
• Kevin would like to implement a coffee shop at the high school for the 2019-2020 school year (hot and cold brews would be served before 8:00 am); the district will buy the equipment; Sodexo will buy the product (flavored Kcups); empty storage area near the gym would need to be converted to a coffee shop (could it also be used as a concession stand for sports events?)

Cafeteria operations and summer hours discussion
• Kathy reported that per the Sodexo contract, Kevin Fisher does not work during the summer
• Several housekeeping items need to be completed over the summer (ie – deep cleaning; organization of storage areas, etc.); stove hoods need to be professionally cleaned by a certified company
• Kathy will begin working on Sodexo’s contract extension
