Paul requested the following item be added to the agenda:

Overview of budget scenarios
- Jenny reviewed the Green (best case scenario), Yellow (where the district is currently operating), and Red (worse case scenario – will require cuts) budget scenarios previously reviewed with the board; Jenny will email it to the committee
- Jenny noted the State Dept. of Budget is staring to withhold some funds (approximately $226,000 withheld so far in general aid and excess cost aid); today’s update from SED is that aid to localities will be submitted by the end of September (looking at a 20% cut in certain areas)
- Paul questioned what a 20% across the board cut would be? Jenny noted approximately $3,000,000
- Jenny discussed the cost of the Personal Protection Equipment, cleaning supplies, etc. that the district was required to purchase in order to reopen schools

SRO Contract Renewal
- Jenny noted the SRO contract expired the end of June; the district paid 65% of the SRO salary
- Mr. Moore is working with the City on a new contract

BOCES Lease Agreements and Support Service Contract
- Jenny noted BOCES will lease 12 classrooms for the upcoming school year at an annual rate of $6,000 per room
- The support service contract is $10,000 per room
- Paul questioned how much BOCES is paying the district versus the amount being paid to lease BV
- Mr. Moore noted the district attorney is working with the BOCES attorney on the lease of the BV parking lot and PA equipment; BOCES would maintain the parking lot
- Janine expressed concern regarding liability and indemnification and recommended the draft lease be shared with the board

YMCA Extended Day/After School Program
- Mr. Moore noted that he is devising a Request for Proposal for before, during, and after school day care; once finalized, he will send the RFP to the school attorney for review
Janine asked how much the program would cost and whether the district was legally allowed to subsidize day care and recommended the draft RFP be reviewed by the board.

19-20 Café P/L
- Jenny reviewed the June 2020 P&L and noted that $13,818.69 was transferred from the General Fund.

20-21 Proposed Cafeteria Budget

Meeting adjourned at 1:30 pm.
