Capital Project Debt Limit – Chuck Bastian and Melissa Kirkland
The following was reviewed by Chuck and Melissa

- Debt Summary Statement
  - If the project is over the Net Deb-Contracting Margin will need a super majority of votes (60% plus 1)
- Local share of existing and proposed capital project debt service
  - $12,100,000 capital project versus a $16,000,000 project
- Three propositions for March 15, 2016 vote– 1) approximate $12,100,000 million capital project; 2) additional $4,000,000 for various facilities; and 3) use of $900,000 of capital reserve funds to offset local share. The specifics capital improvements for each proposition will be vetted through the Buildings and Grounds committee.
- Projected Net Local Share of Debt Service
  - Proposed 17-year maturity schedule
- Proposed timetable for voter referendum
- SEQRA
- Bid opening for Architectural and Construction Management Services on December 22nd
