K-1 Curriculum

The STAR program is designed to give K-1 students varied experiences in the Arts and Sciences. Children will learn stories and sing songs. The program will increase students' self esteem and enhance skills necessary in all learning situations such as concentration, focus, cooperation, team building and thinking skills while having fun! This will be provided in a classroom.

For the safety of your K-1 angels, we will only release them to an older brother, sister or to a parent. Children must be picked up in the auditorium.

Grades 2-4 Curriculum

Students in grades 2-4 will participate in eight different activities throughout the week. During this time they will create a book of poetry that will be published at the end of the program, work at coding for computers, learn about nutrition, art, computer science, and much more.

All students will participate in "Beauty and the Beast"

WE WILL BE CONNECTING THREE DIFFERENT COURSES BASED ON THEMES OF GENEALOGY AND CULTURES. THIS YEAR WE WILL EMPHASIZE THE FOLLOWING:

ITALIAN, POLISH AND LEBANESE

FUN AND EXCITING ACTIVITIES WILL EXPLORE THE CUSTOMS, MUSIC, AND CUISINE OF THESE CULTURES. TASTE THE FOOD, LEARN A DANCE AND DISCOVER MORE ABOUT YOUR FRIENDS AND FAMILY. REGISTER FOR ANY OF THE FOLLOWING COURSES AND TAKE PART IN THESE ACTIVITES

SELECTED 5-12 COURSE DESCRIPTIONS

TELLING A STORY WITH VIDEO

Become a filmmaker! Start with an idea and turn it into a product of your own. Engage in the process of filmmaking, learning all the steps along the way from story boarding to editing. Have great fun and create a great production!

STUDIO ART

Students will look at different styles of art and different artists and create art to be used in the performance of **Beauty and the Beast**.

BABYSITTING

This class is a complete course in babysitting. Students can get the information they need to handle the challenges of babysitting and a Babysitter's Certificate.

MINDSTORM ROBOTICS

This program enables students to understand challenging subjects, encourages them to develop critical thinking skills, grow their ideas, and make their own creations through playful learning experiences. They will be assisted by professional engineers, business professionals and newspaper advertising specialists. This will give students a real world experience from the design to the marketing of their inventions.

MAGNIFICENT MURALS

Students will investigate and collaborate to create murals and art to be placed in the lobby for "**Beauty and the Beast**"

ACTING /PUPPETS

Class includes improvisation, games and storytelling, mime, physical and experimental theatre.

NEWSPAPER

Students will create a newspaper that will be a supplement to the Olean Times Herald. They will learn skills of interviewing, proof reading, writing,

HISTORY OF OLEAN

Create a book about Olean's past, showing the story of different cultures working together for a brighter future. Students will produce a book with composition, pictures, and editorial decision. Part-literary, part-history magazine featuring interviews and articles of local historical interest. You will produce a book on the traditions which make Olean Great. This will be distributed at the show on August 3.

DANCE

Are you ready to dance, move, and have fun? If you said, "yes," then this class is for you. You will learn basic dance moves and experience a variety of music. Once you find the beat, you won't stop moving your feet!

FUTURE CHEF

Students will will learn the correct way to peel, chop, mash, grind, beat, measure season and more. They will then get to taste the results of their efforts. Finally, they will create a cookbook so they can share their creations with their families at home.
