## Message from the Superintendent

It's the time of year for celebrations in the Olean City School District! Commencement, grade advancement, senior nights for athletics, banquets, concerts and so much are happening throughout our school community. This newsletter provides merely a slice of life in our schools, and I am proud to report there is an abundance of reasons to celebrate.

We are grateful to have received strong support for our 2022-2023 school budget. Not only do we have a fiscally responsible spending plan that accounts for an increase to student programs and services, but we have a responsible district reserve plan and have accounted for continuing some services after federal funding disappears.

Administrators and instructional coaches have been assisting with the implementation of resources aligned to the next generation learning standards, and our students will be prepared for the new assessments as they come online. Common curricular pathways throughout our elementary and intermediate programs are to be expected with increased academic achievement for each student. Olean High School is developing a credit recovery program, which is a robust emergency room-style approach to intervene quickly when a student starts falling behind. A Multi-Tiered System of Support (MTSS) is being identified throughout the district, which will help staff, parents, and students understand the strategies and services we will apply in every grade and course.

This is also a good time for each of us to reflect on our past year. Staff review their professional performance and think about goals for the upcoming year. Students at every level can think of study habits they found successful and identify clubs or activities to join in the coming year. We are assessing our progress as we emerge from the pandemic, and making changes to address our greatest needs.

Your OCSD Board of Education has been at work updating the OCSD Policy Manual and searching for your permanent Superintendent of Schools, who is employed to oversee and carry out the policies. These are the two main functions of a board of education. Many hours have been devoted at the sacrifice of family and personal time for this volunteer position, as they research, read, listen, and learn before making final decisions.

On a personal note, it has been a pleasure serving as your Interim Superintendent of Schools. The past few months have flown by. Together we have tackled some pressing issues and made some adjustments to operations for improvement. I am confident that the talented faculty and staff of OCSD will remain on a trajectory of profound improvement for the terrific students we serve. Thank you for the opportunity to learn with you.

Enjoy your summer and be well!

Dr. Karen Geelan  
Interim Superintendent of Schools

## Buffalo Philharmonic Orchestra Music for Youth Concert Series

The Buffalo Philharmonic Orchestra performed in the Olean High School Auditorium during the school day on Tuesday, May 24, 2022 as part of the Music for Youth Concert Series. Elementary students from several area school districts attended for either a morning or afternoon session with the beloved philharmonic. The BPO is proud to present educational programming accessible to all students through live concerts, in-school programs, and digital resources. Each year they work to ensure their programs introduce students to the best orchestral repertoire, focus on music learning concepts being taught in the school classroom, and encourage active participation through interactive program elements. The presentation links music with other core disciplines, as well as learning standards to show how music education is intertwined with all areas of study, and provides an engaging and memorable experience through the magic of a live orchestra performance. What makes a successful performance at the BPO? The people! Students explore how each person has an important role in the BPO community, including the musicians, conductor, composers, and especially the audience! They learn how the instruments work together and investigate the roles of the conductor and the composer. This program encourages active listening skills that will show that a musical community succeeds when everyone works together.

## Teacher

**Angela Cottone** is the district's new Speech Language Pathologist. Mrs. Cottone received her Masters of Arts in Speech Language Pathology from Edinboro University of Pennsylvania. She also received her Bachelor of Science in Speech and Hearing Services from Edinboro. Prior to joining the Olean City School District, Angela worked for Salamanca City School District and BOCES.

## Administrator:

**Mrs. Laura Hodara** is the Olean High School's new Assistant Principal. Mrs. Hodara graduated from SUNY Cortland in 2003 and then earned her Master's in Education from Grand Canyon University in 2011. She attended St. Bonaventure University for the advanced certificate in Educational Leadership. Mrs. Hodara has 13 years of experience in the classroom and has a lot to offer our Huskies in her new role as Assistant Principal. She believes that all students, teachers, staff, and families need to feel safe in the school setting -- safe to explore, think outside the box, grow, and have honest discussions about the academic, social, and emotional growth of our students. Mrs. Hodara looks forward to serving the OHS Community, to provide support and great opportunities for great success.

**Maureen DiCerbo** was recently appointed to the position of Olean Intermediate Middle School Assistant Principal. Mrs. DiCerbo received her Bachelor of Arts degree in Elementary Education and Master's in Educational Leadership from St. Bonaventure University. In addition, she received a Master's degree in Curriculum and Instruction from University at Buffalo.

Maureen has been teaching in the OCSD for the past twenty-one years, fourteen years as a 4th grade teacher and seven years as the Instructional Coach for OIMS. She looks forward to ensuring that the academic bar is raised, while also catering to the social-emotional well-being of all our students.

## A Cultural Day at St. Bonaventure

Our upper level World Language students at Olean High School had an opportunity to partake in a Frida Kahlo cultural day at St. Bonaventure. Students were given a tour of the art museum along with a drawing activity lead by Evelyn Pennman. Students then attended a concert by Cuarteto Latinoamericano. The quartet presented a concert focusing on the paintings from the time of Frida Kahlo and Diego Rivera. The concert featured projections and commentary about the connections between painting, music, and history. Students had a marvelous lunch, and then visited the Frida Kahlo exhibition that featured her botanical imagery and reverence for nature.

Kahlo is considered one of the most significant artists of the 20th century. Her body of work, consisting of some 250 paintings and drawings, is intensely personal and universal in scope, and relies heavily on the natural world.

Students finished out the day by creating their own <nicho> or memory box decorated with personal photos, art work and dried flowers. This activity was lead by Sean Conklin. A big GRACIAS goes out to Miss MacWilliams for organizing this event. It was muy fantástico!

## Envirothon Team Takes 3rd Place

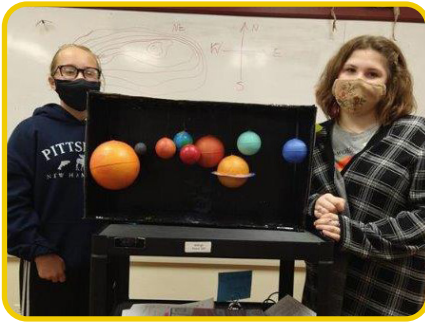

We would like to congratulate Olean's Envirothon Team for placing 3rd in the NYS Cattaraugus County Envirothon Competition. Envirothon is the largest conservation education program in North America, and has been held in Cattaraugus County since 1992. This program is an outdoor, hands-on event that emphasizes teamwork and tests students' knowledge of various natural resource related topics, such as wildlife, forestry, soils, aquatics, and a current issue topic which varies from year-to-year. Student-led teams complete exams at five different stations that address these topics. Scores for the five exams are totaled, and the team/school with the highest cumulative score wins the completion.

This year is Olean's first year participating in the program, which was held at Camp Allegany in Allegany State Park. Olean had one team, with a total of five students participating, including Heartly Phipps (Team Leader & Current Issues), Grace Ring (Forestry), Rose Scordo (Wildlife), Payton Reynolds (Soils), and Simon Clark (Aquatics) along with Mr. Woleben (Advisor). CONGRATULATIONS, TEAM!

## Olean High School Prom

Saturday, May 21st Olean High School students spent "A Night on the Hollywood Red Carpet" for the 2022 Junior/Senior Prom! Students arrived at Good Times of Olean at 8:00 and enjoyed a night of food, dancing, and entertainment. At 10:00 the Prom Court was announced, and the following students were voted in by their peers, Junior first attendants: Lily Schena and Talan Stitt, Junior Prom Royalty: Luke Carlson and Will Synder, Senior second attendants: Alexis Trietley and Max Wolfe, Senior first attendants: Anna Mest and Christian Barta, Senior Prom Royalty: Katie Weber and Codie Tidd. A special thanks to all the parents, chaperones, and school administration for making this fun night possible for our students!

## Modeling in Science

In Mrs. Hendricks' 8th grade science, we have used modeling to demonstrate what we know about many topics: Waves, Planets in our Solar System, Molecules, and Elements. Students were able to use their knowledge of science, their artistic ability, and their creative ideas to work on these hands-on projects.

## SBU Fill the Pack

On Wednesday, April 27, 2022 members of the St. Bonaventure University National Kappa Delta Pi (KDP) Education Honor Society organization delivered over 400 school supply items to the Olean City School District as part of their "Fill the Pack" community service project.

The National Kappa Delta Pi Education Honor Society promotes efforts to support local educators, schools and community agencies serving students of all ages. Five Seniors of the local KDP worked collaboratively to identify "Fill the Pack" as their community service project; Victoria Cleary, Lauren Sparacio, Grace Weber, Dyllon Gartley and Brigid Insley. The team established collection boxes on St. Bonaventure University's campus as well as at Tops Friendly Markets and the Paper Factory. The team also worked with Amazon to create an Amazon wishlist to collect donations that way as well.

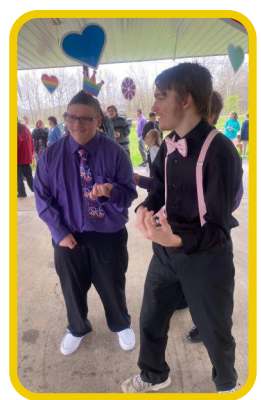

*From left to right, Jenny Bilotta, Lauren Sparacio, Dyllon Gartley, Grace Weber, Victoria Cleary, and Dr. Karen Geelan*

Victoria Cleary, President of the Kappa Delta Pi Education Honor Society expressed her appreciation by stating that, "We are thrilled with the community response to "Fill the Pack" and wish to extend a special thank you to local donors and merchants who served as collection sites. We would also like to acknowledge the support we received from SBU Athletics as they allowed us to host a donation night at the men's basketball game against Rhode Island."

Cleary went on to further say that, "over 400 school supply items were collected and donated to the Olean City School District. We are so excited to give back to the Olean Teachers who have invited SBU students into their classrooms." Interim Superintendent, Dr. Karen Geelan stated, "on behalf of the entire Olean City School District Faculty and Staff, we would like to express our gratitude to the Kappa Delta Pi Education Honor Society and commend them for their efforts regarding the "Fill the Pack" Community Service Project.

## Peace, Love and Prom

High school students in Mrs. Scordo and Mrs. Bennion's classes had a wonderful time at the regional prom held at the Allegany American Legion. The Legion Auxiliary generously donated their time to prepare food. Students dressed in their most formal attire and danced all day. This year's theme was "Peace, Love and Prom." This annual event, hosted by CA BOCES, gives students an opportunity to celebrate the successful conclusion of another school year.

# News From OIMS

## BINGO!

Mrs. Woodring's 6th grade science class was reviewing and made it into a fun Bingo game!

## Therapy Dog

Due to Covid, OIMS unfortunately had to stop our therapy dog school visits. This month we were excited to welcome back Zena and her owner, Jean. Zena visited many classrooms and brought a calming, and caring environment to every room she visited.

## OIMS Washington Club

The OIMS Washington Club had 33 seventh grade student travelers go to Washington, DC in May. Some of the itinerary included stopping at Mt. Vernon, a ghost tour in Alexandria Virginia, monument sight-seeing, the Smithsonian, America History Museum, Arlington National Cemetery, and a tour of Annapolis. Our dinner-dance cruise proved to be a big hit. We concluded our trip by stopping by the Flight 93 Memorial in Shanksville, Pa. A good time was had by all.

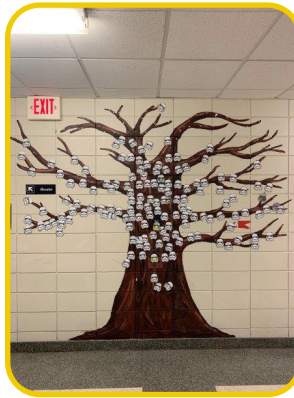

## Guitar Lessons

Our 7th Graders have been working on guitars for the last couple of weeks in Music class with Mr. Knapp. The students were taught how to read chord charts and follow along to lyrics in songs of their choice. This unit is a student-led unit in which the students teach themselves all the chords in their songs and help each other learn how to perform the songs.

## World Language Class

¿Qué te gusta hacer? Qu'est-ce que tu aimes faire? What do you like to do? - Some of Mrs. Wilton's World Language students displaying their Spanish or French verb posters!!

## May the 4th Be With You

“May the 4th Be With You” OIMS Student Activity Council made sure the students were involved with the “Star Wars Day.” Upon the student’s arrival to school, they were greeted by Darth Vader. During their lunch time they could sign Storm Trooper signs that were hung on the SAC tree and play trivia during lunch.

# Washington West Elementary School

## Singing in Spring

Our 2nd and 3rd grade students took it back to the 1950s with their Spring Concert, performing for their family and friends at Washington West. They rocked around the clock and took it to the hop as they put on a phenomenal performance!

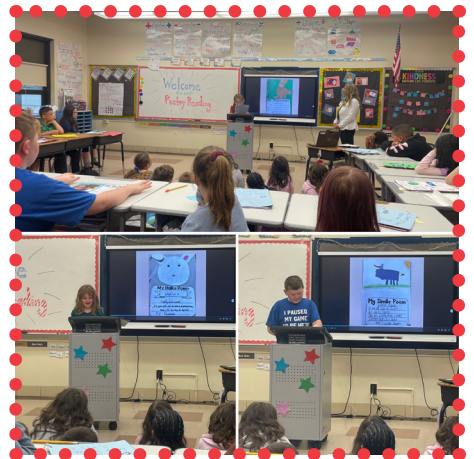

## "Dump" Rope For Heart

Our husky pups were offered a challenge to raise money for the American Heart Association through the Jump Rope for Heart fundraiser. They certainly rose to the challenge, and those having raised \$100 or more got to dump ice buckets on our own Mr. P's head! Altogether, our students raised \$2,609.87! Thank you to all who donated and for making a difference to such an important organization.

## Fun in the Sun

There is nothing better than playground time! Our husky pups love to get outside and enjoy the sunshine!

## Poetry Showcase

Acrostics, Haiku, Simile and MORE! These husky pups spent time showcasing some of their poems to their peers and parents in a Poetry Showcase! Great work, and great writing!

## Thank you, Faculty + Staff

We celebrated our faculty and staff with a Friends-themed week of fun! We value our WW team and appreciate them each and every day! This crew was singing it loud and proud, "We'll be there for you, husky pups!"

# East View Elementary School

## Challenger Learning Center

Our first and second graders visited the Challenger Learning Center and had a great time with hands on learning. For most students, it was their first field trip, which added to the excitement.

## Spring Break Reading Party

Mrs. Knight's class is all decked out for our Spring Break Reading Party.

## May the Fourth

Mrs. Caya and her class celebrated Star Wars Day on May 4... May the Fourth be With You!

## Hatching Baby Chicks

Mrs. Waugh's class had a chick hatch!

## Spring Concerts

Last month our second and third graders performed their Spring Concerts. We were thrilled to have the concerts in person for our family audience. Links to the performances are posted on parent square.

## The New Farm to School Program

Greetings! My name is Michael Nelson. I am serving as the new Farm to School Educator for Olean City School District.

In 2020, OCSD received a \$48,325 Farm to School Grant from the United States Department of Agriculture. I have been contracted by the district through the Cornell Cooperative Extension of Cattaraugus County to help implement a Farm to School program with the grant.

Farm to School programs enrich student nutrition and learning by bringing local food to the lunchroom, facilitating school gardens, organizing farm field trips, and applying evidence based lessons about agriculture and food systems.

I am a Western New York transplant who fell in love with the region while studying at St. Bonaventure University where I graduated with a B.A. in journalism, minoring in environmental studies. My interest in nutrition advocacy and policy led me to pursue a master's degree in applied nutrition at Canisius College, which I will complete later this year.

I have also earned personal training certification through the National Academy of Sports Medicine and train at the Olean YMCA.

My educational choices reflect my beliefs about wellness: there are many components of wellness and the health of each component depends on the health of the others. I also simply love food—growing food, making food, eating food. I believe all foods fit within a healthy diet. One of my primary career goals is to help others find peace with food by encouraging meaningful connection to food through nutrition education and advocacy— which is inherent to the Farm to School mission.

I am thrilled to be a member of the OCSD community and grateful for the opportunity to make a difference in a place I love.

## Olean City School District Mission/Vision

*The Olean City School District is a student-centered community of excellence in which all members are challenged to learn, achieve, contribute, and innovate.*

### Guiding Principles

*A commitment to fostering:*

A respectful, safe, and welcoming environment

Embracing diversity

Continuous improvement

Academic excellence and lifelong learning

Honesty, integrity, responsibility, and accountability

Student potential and achievement
