New OMS Assistant Principal joins District

Tim Houseknecht was appointed to the position of Middle School Assistant Principal, effective August 2, 2010.

In 1999, Mr. Houseknecht began his teaching career at Portville after owning retail stores in Olean and Williamsville. While at Portville, he taught computer courses along with coaching the girls’ modified basketball teams. In 2003, he was appointed as director of the Cattaraugus-Allegany Teacher Center, part of the New York State Teacher Center professional development network. As director, Mr. Houseknecht worked with teachers and administrators in two counties to plan professional development projects and events. He also worked individually with teachers to enhance technology integration and skills.

In 1985, Mr. Houseknecht earned a Bachelor’s degree in Business from SUNY Brockport and his Master’s in Educational Leadership from St. Bonaventure in 2003. He holds a New York State School District Administrator certificate and is certified in business, social studies, and special education. He is married to Sue Houseknecht, a second grade teacher at Portville. He has two college-age children, Sarah and Jake, and a big dog named Buddy.

“I’m delighted to be working directly with kids and teachers once again and doing so in Olean,” Mr. Houseknecht stated. “I will really enjoy working with the school’s students and wonderful staff.”

Before and after school programs still available

The before and after school programs have been affected by changes in grant cycles and funding. The District continues to seek out additional grant funding and will announce changes when available. The following programs are in place for a September start date.

Elementary Level
Morning program will continue and operates daily from 7:35 AM until the start of school for those families in need of early morning care. This is a free program and registration is not required. The program is available for PreK through 5th grade students.

The After School Program is operated by the Olean YMCA. It is available for kindergarten through 5th grade students and registration is required. This is a fee based program and you will need to contact the YMCA for costs associated with each building.

YMCA Contact: Rachel Linderman 701-1351.

Middle School
The YMCA will continue to operate the Advantage After School program as in the 2009/10 school year through November 2010 as the grant is expiring.

We hope to see you at Open House!

Message from the Superintendent

The Year of Systems Thinking

By Dr. Colleen Taggeerty,
Superintendent of Schools

The economic crisis facing all of us is not news; however, how we respond to the crisis may very well become the headlines of our future. The question I ponder is; do we respond in such a way as to direct our own future or do we wait and react to what is forced upon us? As a community, we need to embrace a proactive approach to school improvement in the face of fiscal hardship. To do so, we need a systems thinking approach.

As researcher Michael Fullan in his book “Large-Scale Reform Comes of Age” stated; “... effective system leaders these days ‘listen, link and lead’, and ‘model, teach and learn.’ They represent ... leadership through directing and steering, building widespread capacity and ownership, and being transparent about strategy and results.” It is this approach that I offer to you. I want to hear your thoughts and ideas about our school and our program offerings. I want to teach you about the realities of school finances and regulations that inhibit us from making certain changes yet might open venues for creative solutions to problems. I want to join you in open and honest conversation about the educational needs of our children in the 21st Century. Their future success depends upon our collective leadership.

Reform is upon us. The ELA and Math standards are changing, the assessments are changing, financial support is dwindling, and we encounter new regulations almost daily. When change is forced upon us, it is important that we create opportunities for responsible risk taking; set the expectation that status quo is no longer an option; support efforts of others who are working to ensure continuous improvement; and work together for the betterment of our primary mission; the education of our youth.

I expect the 2010-11 school year to be one of innovative thinking as we explore options available to us that will promote outstanding programming offerings while reducing our fiscal obligations. I ask that you consider joining us in this quest. Together we can make a positive difference for our learners, staff and community.

HIGH SCHOOL BUILDING NOTES

Construction Reminder - At the start of Summer 2010 extensive renovations of the Olean High School have begun, and will continue into 2012. Many areas of the building will be updated to create an environment more conducive to learning. Students and parents need to be aware that several inconveniences may occur throughout the process. As contractors complete phases of the project, lockers and classrooms will need to be moved to maintain a safe environment. Please remain patient with the process and understand that all projects of this magnitude will inevitably force temporary changes in individual routines.

Evacuation Drill Planned - Parents are advised that Olean High School will conduct a building evacuation drill during the school year. Students will be relocated to off-site facilities for a period of time during the drill which is intended to be a proactive response plan in the event of an emergency situation.

The date of the drill is not announced in order to maintain the integrity of the drill and insure that it is close to portraying an actual emergency.

Thank you, dedicated summer workers!

Our administrators, teachers, aides, secretaries, business office personnel, maintenance staff, and technology staff have been busy this summer working through and around all of the capital project activities. To each of them, I extend my sincere appreciation and gratitude as they have shown such dedication to ensuring learning continued amongst the organized chaos of; asbestos removal, HVAC work, running of cabling, ceiling tile removal, bathroom renovations, parking lot upgrades and much more. I thank you for your part in making sure our youth had quality summer school experiences and for ensuring the buildings are ready for school to open in September.

District bids good luck and farewell to a great leader

By Dr. Colleen Taggerty, Superintendent

Mrs. Creeden began her career with the Olean City School District in 1990 as a teacher of Reading. During her time as a teacher of Reading, she was viewed as a person who was child centered, professional, a “key player” within the District, and always gave 100% to her job. Jon Baker quoted: “Judy, your blending of the Chapter 1 program into our school has been responsible for improved reading with all students. You have provided excellent leadership in this area.”

In 1998, Mrs. Creeden was appointed to the position of District Testing/Curriculum (K-5) Director and then expanded her role into the position of District Director of Curriculum/Testing and Chief Information Officer in December of 2005. In these positions, Judy carried forward her excellent leadership abilities, commitment to improving achievement levels of all learners, and her outstanding knowledge of Curriculum, Instruction and Assessment.

The Olean City School District has been blessed by the quality of instruction, leadership, innovation, and passion that Mrs. Creeden has demonstrated throughout her career. She will be greatly missed.

Dear Parent/Guardian:

Children need healthy meals to learn. The Olean City School District offers healthy meals every school day. Breakfast costs $.95 in the Elementary Schools and $1.10 in the Middle and Senior High Schools. Lunch costs $1.55 in the Elementary Schools and $1.70 in the Middle and Senior High Schools. Children from households that meet federal income guidelines (outlined below) are eligible for free meals or reduced price meals. Reduced price meals cost each eligible student $.25 for lunch and $.25 for breakfast. To apply for free or reduced price meals, submit a Direct Certification letter from the NYS Office of Temporary and Disability Assistance OR complete the enclosed application, sign it, and return it to the Olean City School District Food Service Office, 410 West Sullivan Street, Olean, NY 14760 OR to the main office of your child’s school as soon as possible.

Please refer to the guidelines contained in this letter when completing the application. **We cannot approve an application that is not complete, so be sure to fill out all required information.**

1. **Do I need to fill out an application for each child?** No. Complete the application to apply for free or reduced price meals. Do not fill out more than one application for your household.
2. **Who can get free meals?** Children in households getting Food Stamps or TANF and most foster children can get free meals regardless of your income. Also, your children can get free meals if your household income if within the free limits on the Federal Income Guidelines. Each foster child must be listed on a separate application, with Part 2 completed and include an adult signature.
3. **Can homeless, runaway and migrant children get free meals?** Please call Lynn Corder at 716-375-8097 to see if your child(ren) qualify, if you have not been informed that they will get free meals.
4. **Who can get reduced price meals?** Your child can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart, shown on this application.
5. **Should I fill out an application if I received a letter this school year saying my children are approved for free or reduced price meals?** Please read the letter you received carefully and follow the instructions. Call the Food Service Office at 716-375-8007 if you have questions.
6. **My child’s application was approved last year. Do I need to fill out another one?** Yes. Your child’s application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new year.
7. **I get WIC, can my child(ren) get free meals?** Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out an application.
8. **Will the information I give be checked?** The school may ask you at any time during the school year to verify your eligibility. You will be notified, in writing, if you have been selected for Verification. School officials may ask you to send papers showing that your child should receive free or reduced price meals at the time you applied.
9. **If I don’t qualify now, may I apply later?** Yes. You may apply at any time during the school year if your household size goes up, income goes down, or if you start getting Food Stamps, TANF or other benefits. If you lose your job, your children may be able to get free or reduced price meals.
10. **What if I disagree with the school’s decision about my application?** You should talk to school officials. You also may ask for a hearing by calling or writing to: Kathleen Elser, Business Administrator, Olean City School District, 410 West Sullivan St., Olean, NY 14760, Phone: 716-375-8020.
11. **May I apply if someone in my household is not a U.S. citizen?** Yes. You or your child(ren) do not have to be a U.S. Citizen to qualify for free or reduced price meals.
12. **Who should I include as members of my household?** You must include all people living in your household, related or not (such as grandparents, other relatives, or friends). You must include yourself and all children who live with you.
13. **What if my income is not always the same?** List the amount that you normally get. For example, if you normally get $1000 each month, but you missed some work last month and only got $900, put down that you get $1000 per month. If you normally get overtime, include it, but not if you get it only sometimes.
14. **We are in the military. Do we include our housing allowance as income?** If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.
15. **My spouse is deployed to a combat zone. Is her combat pay counted as income?** No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn’t received before she was deployed, combat pay is not counted as income. Contact your school for more information.
16. **My family needs more help. Are there other programs we might apply for?** To find out how to apply for [State SNAP] or other assistance benefits, contact your local assistance office or call 800-342-3009.

**Income Chart:** The following chart lists income levels according to household size and income levels received either yearly, monthly or weekly. If your total household income is the same or less than the amounts on the Income Chart below, your children may be eligible to receive free or reduced price meals.

Free and Reduce Meal Application, continued from page 9

How to Apply: To get free or reduced price meals for your children you may submit a Direct Certification letter received from the NYS Office of Temporary and Disability Assistance, OR carefully complete one application for your household and return it to the designated office. If you now receive food stamps, Temporary Assistance to Needy Families (TANF) for any children, or participate in the Food Distribution Program on Indian Reservations (FDPIR), the application must include the children’s names, the household food stamp, TANF or FDPIR case number and the signature of an adult household member. All children with the same case number may be listed on the same application. Separate applications are required for children with different case numbers. If you do not list a food stamp, TANF or FDPIR case number for all the children for whom you are applying, the application must include the names of everyone in the household, the amount of income from each household member, how often it is received and where it comes from. It must include the signature of an adult household member and that adult’s social security number, or the word “none” if the adult does not have a social security number. An application that is not complete cannot be approved. Contact your local Department of Social Services for your food stamp or TANF case number or complete the income portion of the application.

Reporting Changes: The benefits that you are approved for at the time of application are effective for the entire school year. You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive food stamps.

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

Nondiscrimination Statement: This explains what to do if you believe you have been treated unfairly. In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. Meal Service to Children with Disabilities: Federal regulation require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment which substantially limits one or more major life activities. Major life activities are defined to include functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. You must request the special meals from the school and provide the school with medical certification from a medical doctor. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical certification must contain.

Confidentiality: The United States Department of Agriculture has approved the release of students names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of Education programs used to determine areas such as the allocation of funds to schools, to evaluate socioeconomic status of the school’s attendance area, and to assess educational progress. Information may also be released to State health or State education programs administered by the State agency or local education agency, provided the State or local education agency administers the program, and Federal, State or local nutrition programs similar to the National School Lunch Program. Additionally, all information contained in the free and reduced price applications may be released to persons directly connected with the administration or enforcement of programs authorized under the National School Lunch Act (NSLA) or Child Nutrition Act (CAN); including the National School Lunch and School Breakfast Programs, the Special Milk Program, the Child and Adult Care Food Program, Summer Food Service Program and the special Supplemental Nutrition Program for Women Infants and Children (WIC); the Comptroller General of the United States for audit purposes, and Federal, State or local law enforcement officials investigating alleged violation of the programs under the NSLA or CAN.

The disclosure of eligibility information not specifically authorized by the NSLA requires a written consent statement from the parent/guardian.

We will let you know when your application is approved or denied.

Notice to all applicants for Free and Reduced Price Meals

After receiving this information, please return Direct Certification Letters or a 2010-2011 Family Application for Free and Reduced Price School Meals as soon as possible to allow time for processing.

Delays in turning in your Direct Certification Letter or Family Application could result in meal charges being applied to your child’s account. In order to prevent this from occurring, please turn in the Direct Certification Letter or Family Application as soon as possible.

For families who were eligible for free and reduced meals last year, a new application must be completed and approved by the District. Your children will be allowed to receive free or reduced meals until October 1st, but we strongly encourage each family to fill out a new application prior to the start of school in order to avoid the possibility of a lapse in eligibility. Meals provided to children that are eligible for free or reduced lunch after October 1st, without a new application, must be paid for and will be the responsibility of the parent/guardian.

If you have any questions regarding Direct Certification Letters or Family Application, please call 716-375-8007.

Food Stamps or Temporary Assistance to Needy Families (TANF)

Dear Parent or Guardian,

If you receive food stamps or Temporary Assistance to Needy Families (TANF), you may receive a letter in August from the NYS Office of Temporary and Disability Assistance that will simplify the process for your child or children to receive free meals at school.

If you take or send the letter to the Olean City School District; Food Service Office, 410 West Sullivan Street, Olean, NY 14760, or take it to the main office of the school your child attends, your children will receive free meals without your having to complete an application.

You will only receive one letter. If you lose it, it will not be replaced. If you do not return the letter to the school, you must fill out the Free and Reduced Price Meal Application in order for your children to receive free meals.

Please call 716-375-8007, if you have any questions.

Building Project Update - At the time that this article is being written, progress continues on the building project at East View. In most areas of the building, the old carpet has been removed and the new carpet is being installed. In addition, the new parking lot, driveway, and sidewalks are taking shape in the back of the building, off Alder Street. Thank you to all the teachers and support staff who packed up the classrooms at the end of June and a special thanks to our maintenance team - Mr. Lampack, Mr. Vincent and Mr. Rau for all their hard work in moving the contents of the classrooms numerous times to allow for the installation of the carpet.

East View Welcomes New Staff - The East View Elementary School Family will welcome three new staff members for the 2010-2011 school year. First, Ms. Cheryl Kloc will be a new Pre Kindergarten teacher in Rm. 212. Also, Mrs. Jen Carl will be the new reading teacher who will work with students in 4th and 5th grades. Finally, Ms. Michelle Acierno will be dividing her P.E. teaching duties between East View and Washington West. In addition, Mrs. Kathy Knight will be moving from her previous teaching assignment in 3rd grade to Kindergarten. Best wishes to all for a great school year!

East View Open House - East View Elementary School’s annual “Open House” will take place Thursday, September 30, 2010, starting at 6:30 p.m. The program will begin in the lower court area with a brief meeting, a PTO presentation, and introductions of the staff. Parents will then report to their respective classrooms. This event gives parents a chance to visit the school, meet the teachers and learn any new procedures for the upcoming school year.

Parking / Safety Concerns - All parents/guardians are asked to continue to follow the parking restrictions around the school, especially the no parking signs on Spring Street and Alder Street and the crosswalk on Spring Street. These signs are placed there for the safety of our children. Cars parked on both sides of Spring Street at arrival and dismissal times create a very congested and dangerous situation. All students will be instructed to cross Spring Street and Alder Street only at the crosswalks. Please reinforce this with your children as well. In addition, be aware that there is a handicapped parking area (indicated by a sign) on Spring Street, near the crosswalk. Finally, you are reminded that the right hand lane of the driveway off of Alder Street is for school buses only. This lane is marked by a number of orange cones. Cars should not be in that lane at all and if you must park in the driveway, please park beyond the cones, or use the new parking area inside the driveway. Your continued cooperation is greatly appreciated.
Signs of Summer at Boardmanville -
Construction on the capital project at Boardmanville was in full swing early in July. Workers have been busy running new electrical wiring, renovating the student bathrooms, and moving the office suite and occupational therapy areas.

This is how the first grade hallway (top right photo) looked in early July as crews dug through the floors to place new plumbing and worked in the ceiling to run new electrical wiring.

Outside, crews were tearing up old asphalt and digging in preparation for the improved bus loop by Hamilton Street and the expanded parking lot near Oviatt Street. Amid all the construction, the rapidly growing sunflower plants, vegetables, and herbs planted by our students in the spring (bottom photo) are welcome and encouraging signs that everything is anticipated to be ready for the opening of school.

It will certainly be an exciting new year, and we are looking forward to reuniting with our Boardmanville family to continue working, learning, and having fun together.
Staying Connected - Communication between home and school is very important. There are many ways to stay connected: IJN monthly newsletter, Olean City School District newsletter, Parent/Student Handbook, Student Agenda (for grades 3-5), and our website http://oleanschools.org. This fall our classroom teachers will be updating their web pages to help keep you more informed. And as always, you can stop in the office or call 375-8941 to share your thoughts, concerns, suggestions, etc.

By Linda Nottingham,
IJN Elementary Principal

Wow! What an incredible summer of change! As we welcome you to the 2010-2011 school year, the “Under Construction” theme stands out! The hustle and bustle of the last several weeks has been a real eye opener for me. To see such transformation occur before my very eyes gave way to thoughts of what we do here with our IJN community of students, families, and staff. As a whole, we are always under construction; growing and changing in every way. My hope is that we take the opportunity to focus on the changes that are occurring here at school. Our project goal is to master the curriculum at every grade level while also encouraging our students to be responsible, respectful, resourceful, and safe. We will have “Husky Pride” in our final product because we’ll work hard along the way.

I encourage you to prepare yourselves to come to the ‘worksites’. Remember that proper safety gear is essential. Put on your hard hat and know that we are under construction academically. Put on your ‘work boots’ and take on physical challenges in our gym classes. Work with the Company (IJN) and take a team approach to completing the tasks at hand. Get to know your Project Manager (principal), Team Leaders (teachers), and Crew Chiefs (support staff) as you are lead through the ‘blueprints’ throughout the year. Come prepared with the ‘tools’ you’ll need to be successful. Each day matters – and your attendance on the job is priority. I look forward to building a great year with you.

New IJN Staff - Please join the Ivers J. Norton community in welcoming our new staff members: Secretary – Konnie Minnard (above) is from Olean. Most recently, she was the Health Information Specialist at CARes, Inc. Prior to that she was Member Services Coordinator at the Olean Family YMCA.

Sr. Food Service Helper – Penny Lamont has worked in food service for our district since September of 2003.

Early Reading First Literacy Coach – Amber Benjamin most recently taught 5th grade here at IJN. She also served as a Pre-Kindergarten teacher for many years.

Cindy Johnson is the Pre-K teacher transferring from Washington West.

Danny Brooks is the Grade 5 teacher, transferring from Olean Middle School.
The OCSD 2010 Summer Program ran from Tuesday, July 6th, through Monday, August 2nd at Washington West Elementary School. Primary and intermediate teachers from around the district engaged students in a variety of projects and activities. Each week brought a new theme involving caring for friends, animals, the earth and ourselves. The PreK and Kindergarten residents of “Camp Husky Pup” enjoyed adventures in camping through related theme classrooms and activities. The program culminated with a field trip to JCC’s Cutco Theater to see a musical performance of “Suessical” and an outing at Oak Hill Park.  

**Caring for the Earth** - During the first week of the summer program, students in 1st and 2nd grade learned about Caring for the Earth. Special activities from this week included a Recycling Presentation from Ms. Matejka, as well as creating projects from recycled materials. Additionally, students showed they care for the Earth by collecting litter from the Washington West playground.

**Caring for Animals** - Caring for Animals was the theme of the third week of the summer program. Mr. Mark Baker, “The Hawk Guy”, was a special visitor. Mr. Baker helps rehabilitate wild birds. He brought several of his special friends to show the students and also gave them lots of great information. Students also created pinecone birdfeeders, paper plate animals, and a special Animal ABC Book.

**Caring for Our Bodies** - The fourth week of the summer program focused on Caring for Our Bodies. Students had the opportunity to do a Healthy Foods Taste Test. They tried three vegetables and three fruits and rated how much they liked each one. Many of the students had not tried some of the healthy snacks before and after doing so, found that they really liked them!

**Caring for Our Friends** - The second week of the Summer Program focused on Caring for Our Friends. During this week, students visited SubCon Industries and learned the compassionate lesson that “we are all the same on the inside.” Students also created “I Care” mobiles and Friendship Buddies.
