Summer Tech Courses Keep Teachers Updated

Teachers in the district were provided with several in-house Technology Professional Development opportunities over the summer. They had a choice of Novice and Advanced iPad Mini Camps in July.

Another in-house professional development opportunity was provided, based on interest indicated on a survey, for teaching staff to attend a 3-day class to learn more about using laptops with students (the district’s 1-to-1 Laptop Initiative). Topics covered included: what exactly is a “Flipped Classroom”, how to download and convert YouTube videos so that students without internet access at home would still be able to view the video at home, how to create their own video lessons, and an introduction to using My Big Campus. My Big Campus is a secure social network that combines learning and content management systems to which the district subscribes. My Big Campus safely brings together all the tools students and teachers need, making it easy to access and share information, lessons, discussions, and other tools.

Grades 7, 9 & 11 to Roll Out Laptop Initiative

What an exciting time for students at Olean City School District! In case you missed it, the district is in phase 1 of providing laptops to students for use in school and at home. This is a great opportunity to extend the learning beyond the walls of the classroom and building. Depending on subjects and teacher, changes may be occurring on what students will be expected to do at home as homework. Who would have thought that homework might involve watching a video and jotting down notes on what a student didn’t understand in the video or taking notes for classroom discussion the following day.

In order to take a laptop home, a parent/ or legal guardian must sign and return a permission slip acknowledging that they accept the guidelines and responsibilities listed on the permission slip and the Student Laptop Guidelines and Procedures document (found in the Student Handbook). These permission slips will be handed out to students in grades 7, 9, and 11 during the first week of school. Once the permission slip is returned to the school, the student will be provided with a Dell Latitude 3340, a protective sleeve and a power adapter to use for the school year. Laptops are expected to be brought to school each and every day, just like a textbook.

Students without properly signed permission slips will be assigned a laptop that will need to remain in school. The student will have to sign out the laptop assigned to them from a laptop cart housed in the Library (or other location yet to be determined) to use during the day. The student will be responsible for returning the laptop to the cart prior to the end of each day.

Families are encouraged to check with their insurance providers (homeowners and renters insurance) for coverage of stolen or lost electronics. It is not mandatory to have insurance coverage for electronics in order for a student to receive a laptop. However, families that choose not to have this insurance will be held financially responsible should a laptop assigned to their student be stolen, lost or intentionally damaged.
School Physicals Provided
Mandated school physicals are provided to students through Olean City School Health Services throughout the school year. New entering students, as well as those students in grades 2, 4, 7, and 10, are mandated years for school physicals. Parents may have their child’s personal physician provide the physical if they choose to do so at their own expense, or have the physical at school free of charge. Please call your child’s school nurse for the physical form if you choose to use your personal physician.

District Evacuation Drill
Parents are advised that Olean High School will conduct a building evacuation drill during the school year. Students will be relocated, under supervision, to an off-site facility for a period of time during the drill. This evacuation drill is intended to be a proactive response plan in the event of an emergency situation.

District Committed to Helping Learners Discover Their Potential
By Dr. Colleen Taggerty, Superintendent

No one is truly certain how they will benefit from learning, but one thing is certain, the door to the world is truly opened once a high school diploma has been achieved. Each day of a school year brings with it a sense of uncertainty. But with each day of learning comes the certainty of being able to successfully maneuver life after high school.

The Olean City School District is committed to providing the best educational opportunities available to our youth. It is within our mission to challenge each learner; help them to achieve; demonstrate the value of contribution; and foster innovation. The Board of Education and I encourage you to reach out to let us know what is working for your child and/or what is not working. Together, families and educators make very powerful teams. With the creation of a meaningful team between families and school, we strengthen consistency of learning expectations; behavioral expectations; and establish a collective commitment that will enhance each child’s social/emotional and physical well-being.

The District is committed to fostering a respectful, safe and welcoming environment for your child and for you and your family members. Together we have the power to create the positive change necessary for all learners to discover their potential. May the 2014-15 school year strengthen our collective roles as critical decision makers for positive change within our schools.

Continue Successful Shared Transportation

The sharing of transportation services with our neighbors in Portville and Hinsdale continues to be a win-win. With the dedicated work of all three schools’ staff, this shared service has given all three schools an opportunity to become more efficient and save money.

Several team meetings were held throughout the year to work on issues and brainstorm ideas on how to continue this success. Safety was one topic high on the agendas. In the OIMS and both elementary buildings, signs designating bus drop off and pick up lanes were posted, along with “Yield to Bus” signs. Please remember if you are picking up your child(ren) at a school, the buses always have the right of way. This is for everyone’s safety, that the bus lanes and yield sign are followed by everyone. Also at a team meeting, the transportation supervisors were able to determine that through combining a route, there would be one less route needed for the 2013-14 school year.

Letters stating specific information for your child(ren) will be sent home in August. The individual letters will include the following specifics to help identify the students’ individual bus information: Estimated pick up time, pick up location, bus number, animal picture on the elementary bus only and school bus name. Your child(ren)’s bus number could be Olean City School District, Portville Central School or Hinsdale Central School.

The safety of your child(ren) is paramount. Here are a few safety tips for children at the bus stop:

- Stay on the sidewalk and don’t play in the street.
- Stay back from the curb as the bus approaches.
- Always cross the street in front of the bus.
- When you get off the bus, move away from the bus.

Whether your child(ren) rides the bus or walks to school, please remind your child(ren) to follow a few basic safety tips:

- Cross streets at the corner.
- Use crosswalks whenever possible.
- Obey traffic signals.
- Look both ways before crossing the street by using the “Look left, right and left again” approach.
- Stay on the sidewalk.

The new transportation guidelines are listed below. Please contact Kathy Elser or Tiana Livingston at (716) 375-8024 with any busing issues, questions or concerns.

BUS TRANSPORTATION

Eligibility Policy is as follows:

- Kindergarten – 7th Grade
  - Students whose residence from “home school” is over 1 mile.
  - Out of neighborhood students are not eligible for busing unless required by CSE.
  - Any student whose IEP requires busing and is requested by CSE is deemed eligible.
- Grades 8-12
  - Busing is provided for students who live outside the City of Olean, unless otherwise directed by the Committee on Special Education.

- Any student in Grades K-3 must have an adult visible to the bus driver before the child is to be released off of the bus.
  - If an adult is not visible, the child will remain on the bus until a parent/guardian is notified with instructions for drop off.
- If a child misses the bus, it is the parent’s responsibility to transport that child to school. The bus will not come back to pick him/her up.
  - Please make sure your child is ready for the bus at least 10 minutes before the anticipated pick-up time.
- If a child does not ride the bus for 5 consecutive days without prior notice to the Business Office, that child will be removed from the bus list.
  - This child will be added back on the bus list when notice is received by the Business Office.
- Security cameras are installed on all buses for your child’s safety.

In the event of a snow day, please remember that Olean, Portville and Hinsdale are separate school districts. If one is closed, it does not constitute the others being closed. Please watch/listen to school closing reports for this information.

A child must have only 1 address for pick up and drop off for the school year.

- If your address changes at any time during the year (move), please notify the Business Office immediately to change the busing address and to determine if the child remains eligible to be bused.
- Please contact the Olean City School District Business Office directly with any busing issues, questions, or concerns at 716-375-8024.

Integrated Co-Teaching to Maximize Learning for All

By Marcie Richmond,
Director of Special Education

The district is very excited to implement an Integrated Co-Teaching service this school year. Integrated Co-Teaching involves a general education teacher and a special education teacher joining together to co-teach a particular class. This year we will concentrate on math and ELA classes.

In the past, the district has had special education teachers pushing into general education classrooms to assist the general education teachers. Data collected from New York State, as well as across the nation, is showing that students who are in the general education classroom are learning more and performing higher on the state assessments.

We feel the combination of the content knowledge of the general education teacher and the strategies of the special education teacher is going to maximize learning for all students. This approach will allow for smaller group instruction, focused interventions and advancement for students at all levels.

Meal Services to Children with Disabilities

Most children with disabilities have no special dietary needs. They are able to participate in the Child Nutrition Programs the same as all other children in the school. In some instances, however, children with disabilities may experience difficulty when chewing and swallowing, which would require that the physical characteristics of their foods be changed. Some children with disabilities may need special foods or a therapeutic diet.

Federal regulations require schools and institutions to serve meals at no extra charge to those children whose disability restricts their diet in such a way that they cannot fully participate in the food service program without some modification to the foods offered or the scheduled menu. If you believe your child needs substitutions because of a disability, please get in touch with us for further information. You must request the special meals from the school and provide the school with medical certification from a medical doctor. This medical certification must contain the following:

Verification that the special meals are needed due to the student’s disability, and Recommendation/prescription for alternate foods and forms of foods needed to meet the student’s special dietary needs.

If you have questions regarding the need for meal modifications, contact Steve Small at (716) 375-8007.

SNAP/TANF/FDPIR case number: This must be the complete case number supplied to you by the agency including all numbers and letters, for example, E123456, or whatever combination is used in your county. Refer to a letter you received from your local Department of Social Services for your case number or contact them for your number. All children with the same case number may be listed on the same application. If anyone in your household receives SNAP, all children living in your household are eligible to receive free meals at school.

Direct Certification: If you receive SNAP or TANF, send in the Eligibility Letter from the NYS Education Department instead of completing the application. Make a copy for your records.

Foster Child: A child who is living with a family but who is under the legal care of the welfare agency or court may be listed on your family application. List the child’s “personal use” income. This includes only those funds provided by the agency which are identified for the personal use of the child, such as personal spending allowances, money received by his/her family, or from a job. Funds provided for housing, food and care, medical, and therapeutic needs are not considered income to the foster child. Write “0” if the child has no personal use income.

Household: A group of related or non-related people who are living in one house and share income and expenses.

Adult Family Members: All related and non-related people who are 21 years of age and older living in your house.

Financially Independent: A person is financially independent and a separate economic unit/household when his or her earnings and expenses are not shared by the family/household.

Gross Income: Is money earned or received by each member of your household before deductions. Examples of deductions are Federal tax, State tax, and Social Security deductions. Examples of gross income are:

- Wages, salaries, tips, commissions, or income from self-employment
- Net farm income – gross sales minus expenses only – not losses
- Pensions, annuities, or other retirement income including Social Security retirement benefits
- Unemployment compensation
- Welfare payments (does not include value of SNAP)
- Public Assistance payments
- Adoption assistance
- Strike benefits
- Supplemental Security Income (SSI) or Social Security Survivor’s Benefits
- Alimony or child support payments
- Disability benefits, including workman’s compensation
- Veteran’s subsistence benefits
- Interest or dividend income
- Cash withdrawn from savings, investments, trusts, and other resources which would be available to pay for a child’s meals
- Other cash income
- If you have more than one job, you must list the income from all jobs.
- If you receive income from more than one source (wage, alimony, child support, etc.), you must list the income from all sources.

Current Income: Your income at the present time before deductions. Only farmers, self-employed workers, migrant workers, and other seasonal employees may use their income for the past 12 months reported from their 1040 Tax Forms.

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

If you have any questions or need help in filling out the application form, please contact Chris Wick, Food Service Helper at (716) 375-8036.

For example, if you normally make $1000 each month, but you missed some work last month and only made $900, put down that you made $1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

15. WE ARE IN THE MILITARY. DO WE INCLUDE OUR HOUSING ALLOWANCE AS INCOME? If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.

How to Apply: To get free or reduced price meals for your children you may submit an Eligibility Letter for Free Meals received from the NYS Education Department, OR carefully complete one application for your household and return it to the designated office. If you now receive SNAP, Temporary Assistance to Needy Families (TANF) for any children, or participate in the Food Distribution Program on Indian Reservations (FDPIR), the application must include the children's names, the household food stamp, TANF or FDPIR case number and the signature of an adult household member. All children should be listed on the same application. If you do not list a food stamp, TANF or FDPIR case number for all the children for whom you are applying, the application must include the names of everyone in the household, the amount of income each household member, and how often it is received and where it comes from. It must include the signature of an adult household member and the last four digits of that adult's social security number, or check the box if the adult does not have a social security number. An application that is not complete cannot be approved. Contact your local Department of Social Services for your food stamp or TANF case number or complete the income portion of the application.

Reporting Changes: The benefits that you are approved for at the time of application are effective for the entire school year. You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive SNAP.

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

Nondiscrimination Statement: This explains what to do if you believe you have been treated unfairly.

The U.S. Department of Agriculture (USDA) prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)

If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form (PDF), found online at http://www.ascr.usda.gov/complaint_filing_cust.html, or at any USDA office, or call (866) 632-9992 to request the form. Meal Service to Children With Disabilities: Federal regulations require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment which substantially limits one or more major life activities. Major life activities are defined to include functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. You must request the special meals from the school and provide the school with medical certification from a medical doctor. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical certification must contain.

Confidentiality: The United States Department of Agriculture has approved the release of students names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of Education programs used to determine areas such as the allocation of funds to schools, to evaluate socioeconomic status of the school's attendance area, and to assess educational progress. Information may also be released to State health or State education programs administered by the State agency or local education agency, provided the State or local education agency administers the program, and federal State or local nutrition programs similar to the National School Lunch Program. Additionally, all information contained in the free and reduced price application may be released to persons directly connected with the administration or enforcement of programs authorized under the National School Lunch Act (NSLA) or Child Nutrition Act (CNA); including the National School Lunch and School Breakfast Programs, the Special Milk Program, the Child and Adult Care Food Program, Summer Food Service Program and the Special Supplemental Nutrition Program for Women Infants and Children (WIC); the Comptroller General of the United States for audit purposes, and federal, State or local law enforcement officials investigating alleged violation of the programs under the NSLA or CNA.

Reapplication: You may apply for benefits any time during the school year. Also, if you are not eligible now, but during the school year become unemployed, have a decrease in household income, or an increase in family size you may request and complete an application at that time.

The disclosure of eligibility information not specifically authorized by the NSLA requires a written consent statement from the parent/guardian. We will let you know when your application is approved or denied.

Ninth-Graders Go on ‘Marathon to the Sky’

For six months a team of 9th graders have been working on a project under the direction of Dan Freeman an Earth Science teacher at Olean High School. The team is composed of 17 students. The project they are working on is called Marathon to the Sky.

It started out as a simple club with the goal of launching a weather balloon with a payload that included a camera and a GPS tracker. Over time the club has evolved into much more. The team now has their eyes set on an amateur high altitude ballooning record.

On August 19th they completed the first launch of 3 launches. It was a success, but a failure. The students did launch a weather balloon with a scientific payload. They also were able to track the balloon via ham radio to its landing position. They fell short on the 100,000 feet altitude they were trying to achieve. The balloon only made it to 13,000 feet and landed relatively close. It landed just north of Hinsdale. The Balloon was 31 years old and is believed to have torn or leaked shortly after launch.

The students are not discouraged and are gearing up for a second of two test launches. If the second launch goes according to plan, it will make it to at least 100,000 feet or higher. The goal is to beat the amateur record of 145,590 feet. That would be about 27 miles up, so high that you would be able to see the curvature of the Earth with the camera that is onboard. This is also where the project got its name. The original goal was to get the balloon to 26.2 miles, which is the length of a typical marathon run. The third launch will try to achieve the world record. How will they do it? They will use a lighter payload that should weigh less than 100 grams and use an extremely large weather balloon. If they get lucky, they may set a new world record. It will come down to luck. At that altitude minor factors can determine if the balloon will burst early.

The project was only possible by a grant from the Olean City District Foundation and donations from various businesses including Airgas formerly known as Abbott Welding, E & M Engineering, and DPB reality. The club is looking for further donations from the community. If interested, please contact Dan Freeman at Olean High School.

Notice to all applicants for Free and Reduced Price Meals

After receiving this information, please return Direct Certification Letters or a 2014-2015 Family Application for Free and Reduced Price School Meals as soon as possible to allow time for processing. Delays in turning in your Direct Certification Letter or Family Application could result in meal charges being applied to your child's account. In order to prevent this from occurring, please turn in the Direct Certification Letter or Family Application as soon as possible. For families who were eligible for free and reduced meals last year, a new application must be completed and approved by the District. Your children will be allowed to receive free or reduced meals until October 1st, but we strongly encourage each family to fill out a new application prior to the start of school in order to avoid the possibility of a lapse in eligibility. Meals provided to children that are eligible for free or reduced lunch after October 1st, without a new application, must be paid for and will be the responsibility of the parent/guardian. If you have any questions regarding Direct Certification Letters or Family Application, please call 716-375-8007.

Food Stamps or Temporary Assistance to Needy Families (TANF)

Dear Parent or Guardian,

If you receive food stamps or Temporary Assistance to Needy Families (TANF), you may receive a letter in August from the NYS Office of Temporary and Disability Assistance that will simplify the process for your child or children to receive free meals at school. If you take or send the letter to the Olean City School District; Food Service Office, 410 West Sullivan Street, Olean, NY 14760, or take it to the main office of the school your child attends, your children will receive free meals without your having to complete an application. You will only receive one letter. If you lose it, it will not be replaced. If you do not return the letter to the school, you must fill out the Free and Reduced Price Meal Application in order for your children to receive free meals.

Please call 716-375-8007 if you have any questions.

Family Education Rights and Privacy Act (FERPA): Notice to Parents and Eligible Students (students over 18 years of age) of Rights under the Family Educational Rights and Privacy Act (FERPA). You are notified that you have the following rights in relation to student records:

- The right to request the amendment of the student’s education records that the parent or eligible student believes is inaccurate or misleading or otherwise in violation of the student’s privacy rights. Parents or eligible students may ask the Olean City School District to amend a record that they believe is inaccurate, misleading or otherwise in violation of the student’s privacy rights. They should write the school principal, clearly identifying the record they want changed, and specify why it is inaccurate, misleading or otherwise in violation of the student’s privacy rights. If the Olean City School District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the Olean City School District discloses educational records without consent to officials of another school district in which a student seeks or intends to enroll.

- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Olean City School District to comply with the requirements of FERPA.

The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education

Washington, DC 20202-4605

See the list below of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of PII from students’ education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student’s State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. Greetings from Our New EV Principal

Dear Families,

I am excited and thrilled to start the school year as East View’s new Principal. Olean City Schools and East View Elementary School are special places to me. It is where I learned to be a teacher when I attended St. Bonaventure University. It is where I spent four great years teaching fifth grade and now I am humbled to have the opportunity to return to serve in a leadership role for our school. However, I need your help.

Education research tells us that the family/school connection is one of the leading factors of student success. The research also tells us that this connection with families and schools far outweighs the impact of technology, new curriculum and class size.

Successful schools have engaged and active Parent-Teacher Organizations (PTO) and I want that at our school for our students. Our East View PTO will take on the following:

• Advisement to school staff on school procedures and operations (arrival and dismissal procedures, homework, field trips)
• Event planning (carnivals, teacher appreciation week, Read Across America week)
• Brainstorming new directions for East View (new age appropriate playground, outdoor classroom)
• Fundraising

When asked, why most families don’t serve on PTO committees, the most common response is lack of time. As a father of two (ages 5, 8) I can understand. With that in mind I can offer you the following information:

• Our meetings would be monthly and last just over an hour.
• Our meetings will always be the first Wednesday of the month.
• We would meet in the evening in the East View Library at 6:00 pm.
• For parents who may not be able to attend in person, we will have a dial in by phone option, as well as Skype available.
• Our first meeting will be September 3, 2014.

Anyone who has worked on a PTO committee in the past knows that you don’t just walk away from the experience with the sense of a job well done; you meet and often befriend other parents. You also come away with the names of good babysitters, the dish on the best field trips to attend, and the names of good restaurants that you can actually go to with your kids.

I hope you will consider joining our East View PTO. If you are interested, or if you have questions:

• Please call me at 716-375-8920
• Email me at bcrickwash@OLEAN.wnyric.org
• Or sign up to be a part of your East View PTO online at www.eastviewpto.com

Yours truly,

Brian Crawford

Student Safety: Student safety is our first priority at East View. This summer work is being done to install new security cameras in and around the building.

Other measures being taken to improve student safety is having all students that are registered for the morning supervision program from 7:35-8:30 (students must be pre-registered and approved to attend) will use the bus turn around entrance to enter the building as opposed to using both the main entrance and the bus turn around entrance in the past.

At dismissal time, we are asking families of students in grades 1-3 to meet their children in the front lobby or back door and refrain from entering the classroom hallways. Families wishing to pick up their Kindergarten students at their classroom doors may continue to do so. This is all in an effort to relieve some of the congestion in our hallways at dismissal time. Our arrival and dismissal procedures will be under close review this year by our school safety committee. Family members wishing to provide their input, thoughts or suggestions should contact Mr. Crawford or join our school PTO at www.eastviewpto.com.

Open House: Please join us for Open House at East View on Thursday, September 25, from 6-7 p.m. Hope to see you there!

@OleanEastView: Do You Tweet? Twitter users are invited to follow East View Elementary school on Twitter. Our school will be using Twitter to share bright moments and information about our learning this school year. Please note, this does not replace other forms of communication, rather it is in addition to current forms of school-home communication. Student photos and names will not be posted to the East View Twitter account. We hope you’ll follow us, send us tweets in return and help us share all the positive things happening at East View!

Greetings from Our New EV Principal

Dear Families,

I am excited and thrilled to start the school year as East View’s new Principal. Olean City Schools and East View Elementary School are special places to me. It is where I learned to be a teacher when I attended St. Bonaventure University. It is where I spent four great years teaching fifth grade and now I am humbled to have the opportunity to return to serve in a leadership role for our school. However, I need your help.

Education research tells us that the family/school connection is one of the leading factors of student success. The research also tells us that this connection with families and schools far outweighs the impact of technology, new curriculum and class size.

Successful schools have engaged and active Parent-Teacher Organizations (PTO) and I want that at our school for our students. Our East View PTO will take on the following:

• Advisement to school staff on school procedures and operations (arrival and dismissal procedures, homework, field trips)
• Event planning (carnivals, teacher appreciation week, Read Across America week)
• Brainstorming new directions for East View (new age appropriate playground, outdoor classroom)
• Fundraising

When asked, why most families don’t serve on PTO committees, the most common response is lack of time. As a father of two (ages 5, 8) I can understand. With that in mind I can offer you the following information:

• Our meetings would be monthly and last just over an hour.
• Our meetings will always be the first Wednesday of the month.
• We would meet in the evening in the East View Library at 6:00 pm.
• For parents who may not be able to attend in person, we will have a dial in by phone option, as well as Skype available.
• Our first meeting will be September 3, 2014.

Anyone who has worked on a PTO committee in the past knows that you don’t just walk away from the experience with the sense of a job well done; you meet and often befriend other parents. You also come away with the names of good babysitters, the dish on the best field trips to attend, and the names of good restaurants that you can actually go to with your kids.

I hope you will consider joining our East View PTO. If you are interested, or if you have questions:

• Please call me at 716-375-8920
• Email me at bcrickwash@OLEAN.wnyric.org
• Or sign up to be a part of your East View PTO online at www.eastviewpto.com

Yours truly,

Brian Crawford
Tug O’War! Washington West students, faculty and staff participated in Field Day at the end of the year. It was a beautiful day for potato sack racing, hula hooping, running, and playing games outside to celebrate the end of the school year. The very last activity was a Tug O’War between the teachers, and the Pre-Kindergarten students and the Pre-Kindergarten students won! A special thanks to Coach Anastasia, Mrs. Hoffman and the PTO for planning and coordinating the event.

Annual Open House and Scholastic Book Fair: Please join us for WW Open House! On Wednesday, September 24th, our staff members will be here to greet you from 6-7pm! Visit classrooms, tour our building, and stop by the Book Fair that is sponsored by our PTO! Mark your calendars for this family event! We look forward to meeting you!

Fit & Fun Third Grade Winners: Washington West Elementary School participated in the Fit & Fun program and was the recipient of a $2500 grant from Healthy Community Alliance. Pictured above are the winners of the Fitness Bucks program. Third grade students had the opportunity to track time they spent doing physical activities; the more time they spent being physically active, the more fitness bucks and tickets they earned to place into a prize raffle. All prizes were provided by Healthy Community Alliance; the students were so excited. A big Washington West thank you goes out to Healthy Community Alliance for providing such a great program to our school!
