Savoring the Last of Summer

Student Programs Explore the Great Outdoors

Portville Central School and Cattaraugus-Little Valley School were awarded the PEP grant in 2012. The Olean City School District and Hinsdale Central School were awarded the PEP grant in 2014. These schools worked together to bring students a free and exciting opportunity to participate in four days of outdoor education (see lower photo).

On July 15, Ms. Fillips’ summer camp class took a trip to Rim Rock Overlook in Allegheny National Forest (see photo at left). The students explored the massive rock formations and the scenic vistas of the Allegheny Reservoir. They hiked a path down to the Allegheny Reservoir. The 1.7 mile hike allowed the students to observe water run-off patterns, sedimentary rock and the vegetation. “It’s awesome how the big rocks just sit there and how tall they are. This was a great adventure,” said Ethan Hund, ninth grader.

School Physicals Provided

Mandated school physicals are provided to students through Olean City School Health Services throughout the school year. Newly enrolled students, as well as those students in grades 2, 4, 7, and 10, are mandated years for school physicals. All students participating in a sport are mandated to have an annual physical. Parents may have their child’s personal physician provide the physical if they choose to do so at their own expense, or have the physical at school free of charge. Please call your child’s school nurse for the physical form if you choose to use your personal physician.

District Evacuation Drill

Parents are advised that Olean High School will once again conduct a building evacuation drill during the school year.

Students will be relocated, under supervision, to an off-site facility for a period of time during the drill. This evacuation drill is intended to be a proactive response plan in the event of an emergency situation.

School Districts across New York State are required to conduct one full evacuation drill and several lower-scale emergency drills throughout the school year. The date of the drill is purposely not announced so that it may be conducted as it would be in an emergency situation.

Permission for Student Release

Students are not allowed to leave school buildings or grounds without written permission and for legitimate reasons only. Under a new state law, school children may only leave school with persons approved by the child’s parent or guardian. School officials will be required to check the identity of persons requesting a child’s release against a list provided by the parents or guardian.

The law also stipulates that a student will not be released to a person who is not on the list unless the child’s parent authorizes the release.

Custodial Paperwork

If you have custodial paperwork for your child, you should provide your child’s school with a copy. Without the custodial paperwork on file, the school assumes that both parents have full rights. For your child’s safety, if an order of protection exists, please submit a copy to your child’s principal.

If you are a non-custodial parent, who would like to receive information regarding your child’s academics and invitations to parent-teacher conferences, you should submit an annual request to your child’s principal.

Update Contact Info

Attention Parents/Guardians: If you have changed your address, phone number, or acquired a cell phone, please make sure to notify the school office so that we have up-to-date information.

School Closing Notices

The Olean City School District will announce school closings or delays on TV channels 2, 4, 7, and 9 as well as on radio stations WBEN, WLSV, WMXO, and WPIG.

Epic Learning Adventures in Store for 2015-16

By Dr. Colleen Taggerty, Superintendent

Personalized, meaningful, and rigorous learning is what the 2015-16 school year has in store for all learners, students and adults, within the Olean City School District. Finding the joy in learning is just as important for our students as it is for our staff. Learning is a lifelong adventure that must be embraced to ensure maximum results.

The Olean City School District continues to move forward towards a full implementation of our laptop initiative; full implementation of the Common Core Standards; and full implementation of the Physical Education Grant that allows us to make significant improvements in our weight room, as well as equipment and curriculum updates across the District.

Most importantly, we want to extend ourselves to you, our families and our community, as we look to improve upon the service we provide to our learners. There are many opportunities for you to provide input on your expectations of the school district through various committee structures. Please consider joining one or more of the following committees:

• Parent Teacher Organization
• Comprehensive District Educational Planning/Shared Decision Making Committee
• Building Level Shared Decision Making Committee
• SMART School Bond Planning Committee

The formula for success of any school district is:

students + families + staff + community = exceptional outcomes

Working cohesively and collaboratively for the betterment of all assures us that the 2015-16 year will truly be an EPIC one!
New Principals and Teachers Announced

Jeffrey Andreano has moved into the position of principal of Olean High School. He has been serving as assistant principal for the last 14 years and replaces Barb Lias, who retired this year.

Michael Martel was appointed to the position of Olean High School Assistant Principal in July. Mr. Martel began his teaching career in 1994 as a substitute teacher for several local component school districts. In 1995, Michael was appointed a teacher at the Hinsdale Central School District. In November of 2011 through June 2013, he served as the Allegany-Limestone Central School District’s Interim Middle School Principal. Upon completion of the interim assignment, Mr. Martel returned to his teaching position at Hinsdale Central School.

Michael obtained a B.S. Degree from St. Bonaventure in Mathematics with secondary concentrations in Physics in 1994 and a Master of Science Degree in Education in December 1999. In December 2010, he received a Masters of Education in Educational Leadership.

His professional knowledge base and regional leadership includes: Kids’ College Instructor, Professional Development Team member, creation of PreK-12 Technology Curriculum, Webmaster, Successful Classroom Management, Comprehensive District Education Plan Committee member, layered Curriculum training, Drop-out Prevention Team member, PTO volunteer, and soccer coach.

Stacie Bowen joins the District as an Art Teacher at the East View and Washington West Elementary Schools. Stacie received a B.S. in Art Education from Nazareth College of Rochester in 2011. Ms. Bowen was an Art Teacher for Monroe 2 – Orleans BOCES in an integrated Special Education program for students with severe mental health and emotional issues.

Katrina Davenport was recently hired as the Physical Education Teacher at the High School. Katrina received a B.S. in Physical Education from SUNY at Cortland in May 2013 and expects to receive a Master of Science in Health Education from Trident University International in December 2015. Prior to her appointment, Ms. Davenport was a Physical Education Teacher for the Newark School District.

Evan DeWald is the newly appointed Technology Teacher at the High School. Mr. DeWald received a Bachelor of Science in K-12 Technology and Engineering Education from Buffalo State College in December 2014 and is currently enrolled in the graduate program. Evan completed his student teaching at Orchard Park High School and Gowanda Middle School.

Suzanne Linderman joins the Olean Intermediate Middle School as a Math Teacher. Mrs. Linderman received a B.S. with a major in Mathematics and a minor in Secondary Education from the SUNY at Brockport and a M.Ed. from Southern Wesleyan University with a strong emphasis on curriculum and classroom management. Prior to relocating to the Olean, NY area, Mrs. Linderman was a Secondary Mathematics Teacher in South Carolina and has been a substitute teacher for the District since January 2015.

Amber Martin will begin her teaching career as a Special Education Teacher at East View Elementary School. Ms. Martin received a Bachelor’s Degree in Childhood Inclusive Education with a Middle School Extension in Mathematics and a minor in Mathematics from SUNY Fredonia in the fall of 2014. Amber completed her student teaching at Colden Elementary School and North Collins Elementary School.

Gabrielle Rodriguez joins the District as a Special Education and Math Teacher at the High School. Ms. Rodriguez received a Bachelor of Science in Adolescent Education, Mathematics (7-12) from SUNY Fredonia and a Master of Science in Education, Students with Disabilities (7-12) from SUNY at Buffalo. Prior to joining the Olean City School District, Gabrielle taught as a long-term sub for West Seneca East Senior and Hamburg High School.
With Phase 1 under our belts with 1 to 1 laptops for students, the district will begin Phase 2 of the initiative. Next year students in grades six through twelve will be receiving district owned laptops to be able to extend their learning opportunities beyond the walls of their classrooms and buildings.

Forms for parent or guardian signatures agreeing to accept the responsibilities and guidelines listed on the form will be found in the student handbook for all families of students in grades 6-12. Signed parent/guardian permission forms must be turned in by the student to receive a laptop. Families will always have the option to have their student(s) leave the assigned laptop in school in the Library. Each Library will have a laptop cart where students can plug in and charge the assigned laptop overnight and stop in to sign it out first thing in the morning.

An additional new piece to being able to provide each student in grade 6-12 with a laptop is the availability of accounts in Microsoft Office 365 (cloud based applications for students to use anywhere anytime). If you do not want your child to have this cloud based account, be looking for an Opt Out letter that must be signed and returned to the building your child attends. This letter, along with the laptop permission form, will be in the student handbook and can be found online under the Academics heading, select Technology and then Technology Files.

To give you a glimpse into what happens in the technology department during the summer, we created a photo timeline for you:

1) Upper left photo - Arrival of new laptops
2) Upper right photo - Unboxing and prepping the BIOS of each laptop
3) Center right photo - Imaging of laptops – 30 in a X 2 labs = 60 imaged at a time, divide that by 1150 student laptops that need to get imaged before the start of school.
4) Lower right photo - And finally, storage for distribution
BMI SCREENING

Every year each student is screened for height, weight, vision, hearing and scoliosis by the medical office. Starting with school year 2008-2009, New York State is requiring we also calculate each student’s BMI and send home a notice for those that are not in the average range. You have probably heard about BMI recently but are wondering exactly what that is and how we will be calculating this. Below you will find a brief description.

WHAT IS BMI?

BMI is an abbreviation for Body Mass Index. BMI is calculated from your child’s weight, height, sex and age. BMI provides a reliable indicator of body fatness for most people and is used as a tool in treating children who may be overweight or underweight.

UNDERSTANDING BMI

In adults BMI is rather easy to calculate and interpret, as a BMI between 25 and 30 is considered overweight and a BMI of 30 or above is considered obese.

With children, BMI is a bit more complicated. Since each child is unique and growing at their own pace, we must take into account the child’s age and map boys and girls differently. Adding to the confusion, instead of a classification of overweight or obese, children are classified in four different categories. Please see the chart below.

WEIGHT STATUS CATEGORY PERCENTILE RANGE

- **Underweight**: Less than 5th percentile
- **Healthy Weight**: 5th to less than 85th percentile
- **At Risk of Overweight**: 85th to 95th percentile
- **Overweight**: 95th percentile and above

HOW IS BMI USED FOR CHILDREN AND TEENS?

The Center for Disease Control and the American Academy of Pediatrics recommend the use of BMI screening beginning at 2 years of age. If, from our screening here at school, your child is found to be underweight, at risk of being overweight, or you have specific concerns about your child’s overall health, please contact your physician for further assessments to determine health risks.

If you do not want your child’s clinical data to be included in this mandated report, please contact your child’s school nurse for the paperwork you will need to exclude your child. No personal information is reported, only clinical data.
Olean High School’s annual Open House for parents of students in grades 8-12 will be held Wednesday, Sept. 16, 2015 from 6:00 to 7:30 p.m.

The Open House will take place outside in front of the high school where teacher stations will be set up by department around the perimeter of the fountain. Parents are invited to move from station to station to meet their child’s teachers and learn about classroom curriculums, routines and requirements.

In the event of rain, the activity will be held inside in the school gymnasium.

Looking Forward to a Great Year at the High School

Many changes have occurred over the summer months at the high school. We are excited to open school for the new school year and look forward to interacting with all of the students and families!

A few reminders:
- Start and end times have changed this year. Homeroom begins at 8:20 and students are dismissed at 3:06.
- Student breakfast times have been adjusted as well: 7:35-8:15.
- Good attendance is very important. Be here each and every day!
- The main entrance has been altered and visitors will now use the new ramp/stairs to enter the building.
- A list of supplies needed should have accompanied your child’s report card. Make sure to check that and prepare your child for the first day.

This school year, we want everyone to be:

- Overachieving
- Honest
- Successful

Would You Like to Receive Text and Email Alerts from the District?

The Olean City School District is asking for your help in keeping the lines of communication open between you and the school. As you know the district uses SchoolMessenger as a communication tool to alert families of school closings, upcoming school events, low lunch balances, etc. But did you know that in addition to phone calls, School Messenger is able to send text messages and emails with the alerts that are sent out? Activating these options in SchoolMessenger will ensure that you receive the alerts in a timelier manner, especially if families are not at home when the alerts are sent.

If you would like to be alerted using test messages and/or email, you can create an account in SchoolMessenger Contact Manager and check these two fields in your account. For a guide on how to create this account please visit the district web page.

Meal Services to Children with Disabilities

Most children with disabilities have no special dietary needs. They are able to participate in the Child Nutrition Programs the same as all other children in the school. In some instances, however, children with disabilities may experience difficulty when chewing and swallowing, which would require that the physical characteristics of their foods be changed. Some children with disabilities may need special foods or a therapeutic diet.

Federal regulations require schools and institutions to serve meals at no extra charge to those children whose disability restricts their diet in such a way that they cannot fully participate in the food service program without some modification to the foods offered or the scheduled menu. If you believe your child needs substitutions because of a disability, please get in touch with us for further information. You must request the special meals from the school and provide the school with medical certification from a medical doctor. This medical certification must contain:

1. Verification that the special meals are needed due to the student’s disability, and
2. Recommendation/prescription for alternate foods and forms of foods needed to meet the student’s special dietary needs.

If you have questions regarding the need for meal modifications, contact Steve Small at (716) 375-8007 for further information.

SNAP/TANF/FDPIR case number: This must be the complete case number supplied to you by the agency including all numbers and letters, for example, E123456, or whatever combination is used in your county. For example, if you normally make $1000 each month, but you missed some work last month and only made $900, put down that you made $1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

15. **WE ARE IN THE MILITARY. DO WE INCLUDE OUR HOUSING ALLOWANCE AS INCOME?** If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.

Free and Reduced Meal Application, continued from previous page

16. MY SPOUSE IS DEPLOYED TO A COMBAT ZONE. IS HER COMBAT PAY COUNTED AS INCOME? No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn’t received before she was deployed, combat pay is not counted as income. Contact your school for more information.

17. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for SNAP or other assistance benefits, contact your local assistance office or call 1-800-342-3009.

   **How to Apply:** To get free or reduced price meals for your children you may submit an Eligibility Letter for Free Meals received from the NYS Education Department, OR carefully complete one application for your household and return it to the designated office. If you now receive SNAP, Temporary Assistance to Needy Families (TANF) for any children, or participate in the Food Distribution Program on Indian Reservations (FDPIR), the application must include the children’s names, the household food stamp, TANF or FDPIR case number and the signature of an adult household member. All children should be listed on the same application. If you do not list a food stamp, TANF or FDPIR case number for all the children for whom you are applying, the application must include the names of everyone in the household, the amount of income each household member, and how often it is received and where it comes from. It must include the signature of an adult household member and the last four digits of that adult’s social security number, or check the box if the adult does not have a social security number. An application that is not complete cannot be approved. Contact your local Department of Social Services for your food stamp or TANF case number or complete the income portion of the application.

   **Reporting Changes:** The benefits that you are approved for at the time of application are effective for the entire school year. You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive SNAP.

   **Income Exclusions:** The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

   **Nondiscrimination Statement:** This explains what to do if you believe you have been treated unfairly.

   The U.S. Department of Agriculture (USDA) prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual’s income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)

   If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form (PDF), found online at http://www.ascr.usda.gov/complaint_filing_cust.html, or at any USDA office, or call (866) 632-9992 to request the form. You may also write a letter containing all of the information requested in the form. Send your completed complaint form or letter to us by mail at U.S. Department of Agriculture, Director, Office of Adjudication, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, by fax (202) 690-7442 or email at program.intake@usda.gov.

   Individuals who are deaf, hard of hearing or have speech disabilities and you wish to file either an EEO or program complaint please contact USDA through the Federal Relay Service at (800) 877-8339 or (800) 845-6136 (in Spanish).

   USDA is an equal opportunity employer.

**Meal Service to Children With Disabilities:** Federal regulations require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment which substantially limits one or more major life activities. Major life activities are defined to include functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. You must request the special meals from the school and provide the school with medical certification from a medical doctor. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical certification must contain.

**Confidentiality:** The United States Department of Agriculture has approved the release of students names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of Education programs used to determine areas such as the allocation of funds to schools, to evaluate socioeconomic status of the school’s attendance area, and to assess educational progress. Information may also be released to State health or State education programs administered by the State agency or local education agency, provided the State or local education agency administers the program, and federal State or local nutrition programs similar to the National School Lunch Program. Additionally, all information contained in the free and reduced price application may be released to persons directly connected with the administration or enforcement of programs authorized under the National School Lunch Act (NSLA) or Child Nutrition Act (CNA); including the National School Lunch and School Breakfast Programs, the Special Milk Program, the Child and Adult Care Food Program, Summer Food Service Program and the Special Supplemental Nutrition Program for Women Infants and Children (WIC); the Comptroller General of the United States for audit purposes, and federal, State or local law enforcement officials investigating alleged violation of the programs under the NSLA or CNA.

**Reapplication:** You may apply for benefits any time during the school year. Also, if you are not eligible now, but during the school year become unemployed, have a decrease in household income, or an increase in family size you may request and complete an application at that time.

The disclosure of eligibility information not specifically authorized by the NSLA requires a written consent statement from the parent/guardian. We will let you know when your application is approved or denied.

Many of the classrooms at East View Elementary School visited the Olean Public Library near the end of the school year. They have a tremendous summer reading program that many of our students are taking advantage of to keep practicing their reading skills this summer.
Hearing on Veteran’s Tax Exemption Sept. 15

On Tuesday, September 15, 2015, the Olean City School District will hold a public hearing regarding the Veteran’s Tax Exemption. This meeting will be conducted in the High School Board room beginning at 6:00 p.m. Please note that all the public is invited to attend. To help understand the issue to be discussed, the district has gathered information regarding the impact of this tax exemption and produced the following Q&A fact sheet.

ALTERNATIVE VETERAN’S TAX EXEMPTION QUESTIONS AND ANSWERS

Q. What is the veteran’s tax exemption?
A. This is an exemption that provides veterans with a partial break from school property taxes on the veteran’s primary residence.

Q. Is this a new exemption?
A. This is a new exemption for school districts beginning in 2014. Prior to 2014, this exemption was available only to counties, cities, towns and villages.

Q. Can all veterans receive this exemption?
A. No. Only veterans who served in active military, naval or air service during a period of war, or received the armed forces expeditionary medal, navy expeditionary medal, marine corps expeditionary medal or global war on terrorism expeditionary medal and was discharged or released under honorable conditions.

Q. There are three different property exemptions available to veterans. Which exemptions can a veteran receive?
A. The qualified veteran can only receive one of the three exemptions: Alternative Veterans’ Exemption, Cold War Veterans’ Exemption or the Eligible Funds Exemption.

Q. How does the exemption work?
A. Veterans and their spouses who served during a period of war are eligible for an exemption based upon the following: 1.) Served in a non-combat zone, or 2.) Served in a combat zone, or 3.) Became disabled during service.

The law provides percentage exemptions up to a maximum exempt amount for each category.

Q. How would the Board of Education enact this exemption?
A. First a public hearing must be held. If it is determined to move forward, the Board would adopt a resolution authorizing the exemption with the statutory default exemption cap levels.

Q. When does the exemption need to be filed with Cattaraugus County?
A. March 1.

Q. How does the exemption affect the tax levy?
A. The tax levy set by the Board of Education is not affected.

Q. How does the exemption affect the non-qualified tax payer?
A. The amount of tax levy exempted is calculated and then spread among the non-qualified tax payers. The number of current Olean veteran tax payers, registered with Cattaraugus County, is 658. Based on the information that the district has received regarding the current Olean City School tax payer base, an estimated increase to the non-qualified taxpayers tax levy could be from 1 – 1.4%. Given the fact that the effect of the potential tax levy increase will not be known until all exemptions in a given tax year have been processed, this levy increase could be higher.

Summer Professional Development: Office 365

Teachers have again elected to use some of their summer to come and learn how they can best use Office 365 with their students. A total of 19 teachers from the area, 14 teachers from Olean and five from Bolivar-Richburg, attended a three-day professional development offering on Office 365. They, too, are learning more about cloud based computing and how it will work with their students.
Annual Asbestos Notification: In compliance with Sections 763.85 and 93 of the asbestos-containing materials in schools rule, all facilities owned, leased or operated by the Olean City School District have been inspected for the presence of asbestos-containing building materials. Asbestos management plans have been developed for all facilities and submitted to the New York State Education Department.

The E.P.A. requires re-inspections every three (3) years by an accredited asbestos inspector. This re-inspection was done May 3, 2013, and the results were reviewed by an accredited management planner. The 2013 re-inspection found no significant changes in the condition of the asbestos-containing materials. In general, the asbestos materials in the district are in good condition and will continue to be managed as recommended by the accredited management planner. Copies of the management plans are available for public inspection during business hours in offices of each of the facilities. Questions concerning the inspections and management plans should be made to David Fidurko in the district office or by calling 375-8040.

5. Parents have the right to have complaints about possible breaches of student data addressed. Complaints can be filed with the Superintendent’s Office.

Family Education Rights and Privacy Act (FERPA): Notice to Parents and Eligible Students (students over 18 years of age) of Rights under the Family Educational Rights and Privacy Act (FERPA). You are notified that you have the following rights in relation to student records:

- The right to inspect and review students’ education records within a reasonable time but not more than 45 days from the day the Olean City School District receives a request for access. Parents or eligible students may ask the Olean City School District to amend a record that they believe is inaccurate, misleading or otherwise in violation of the student’s privacy rights. The District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities. Upon request, the Olean City School District discloses educational records without consent to officials of another school district in which a student seeks or intends to enroll.

- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Olean City School District to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, Washington, DC 20202-4605.

See the list below of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of PII from students’ education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))
  - To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))
  - To authorized representatives of the U.S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State or local educational authorities, such as the State educational agency in the parent or eligible student’s State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
  - In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
  - To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system’s ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5))
  - To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
    - To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))

    - Information the school has designated as “directory information” under §99.37. (§99.31(a)(11)).
Celebrating Fathers - For Father’s Day, our Pre K class invited dads and father figures alike to join their class in a celebration and a little hard work as well!

Field Day Fun - Mr. Folland, our esteemed PE teacher, hosted a Field Day for all of our students. Check out this picture from the fun activities that were held at our school.

Summer Construction - This summer East View is under construction. We are completely replacing all of our hallway ceiling tiles as shown in the picture. We are also installing an additional front entrance security door in our front foyer and revamping our elevator access on the upper level. We also anticipate work to start on a paving project just off of our Spring Street entrance. The project will lead to eventual changes in student drop off and pick up and ease some of the congestion in and around the school at arrival and dismissal time.

The Power of Yet - We found this on our playground blacktop. Apparently, one or some of our youngest learners were practicing writing their favorite word. If you would like to learn why “yet” is our favorite word here at East View visit this website: http://www.edutopia.org/discussion/power-yet . You can also search on You Tube for a great song called, “The Power of Yet.”
Summer School Fun! Cattaraugus-Allegany BOCES summer school was held at Washington West from July 6th to August 14th. The roster included 120 students ranging from Pre-K to 12th grade. They traveled from various school districts including Genesee Valley, Allegany-Lime-stone, Olean, Salamanca, Cattaraugus-Little Valley, Jamestown, Bolivar-Richburg, Cuba-Rushford, Hinsdale, Scio, Franklinville and Portville to improve academic skills in reading, math and writing. Lunch was provided everyday by Cattaraugus Community Action. Classrooms had opportunities for community field trips such as Tops, Home Depot, Library, Pizza Hut, Art in the Park, and Hamlin Bank. Every Friday students went swimming at Franchot Park or War Vets Park, and also enjoyed a school wide picnic and talent show. The culminating activity was a “Kids Day” event held at War Vets Park on August 14th.

Annual Flag Day Tradition - Washington West students, staff, and families enjoyed our Flag Day Celebration! Once again, we were honored to have local soldiers as well as retired service men and women with us. Led by Jenelle Scanlon, Colleen Deibler, Shelley Nagel, and Holly Moore, our students provided inspirational songs and gave facts about our flag and its history. Brian Martin also spoke about this tradition – encouraging our students to be proud and to treat our flag with the utmost respect. WW students were also encouraged by the words of our guest – former OCSD Principal Jon Baker, who continues to support our students by celebrating this tradition with us!

BLT – No…Not the Sandwich! The Washington West Building Level Team is looking for additional membership! The “BLT” is a group of parents, students, and staff members who serve our school by meeting to discuss issues that have a direct impact on our school community and culture. We meet monthly to learn about current trends in our District’s education plan, problem solve, and brainstorm ways that we can better serve our learners! Our first informational meeting will be held on Monday, September 20th, from 6:15 – 7:15 in our library. Please consider joining us!
