Technology Updates Enhance Learning

There have been several additions in the Olean Intermediate Middle School that involve technology. A brand new computer lab was created on the first floor of the school. Once the lab is completed, there will be 50 new computers available for students to use. Another addition to the school is new laptop carts. New carts with up to 25 laptops on each cart will be assigned to each of the teams in seventh grade.

For Washington West and East View Elementary schools, classroom sets of iPads have been ordered. Each classroom will be assigned 4 student iPads that will be used in classroom Literacy Centers. In preparation for the addition of iPads as learning tools, 29 elementary teachers attended a 3-day iPad mini camp. The District hosted 3 mini camp sessions. Each camp led the teachers from “how to use” an iPad, to managing them, to aligning selected Apps for Literacy Centers to grade level curriculum maps.

The District was able to add one additional technical support day to the technology department. The new computer technician, Amanda McDonnell, has been getting all of the iPads ready for the start of school. Amanda will be in the District one day a week, working mainly with iPads and making certain the District purchased apps installed and that the iPads are updated on a regular basis.

Five teachers have signed on to learn to use and pilot an online social network/learning management system called My Big Campus. My Big Campus is a secure, closed environment where teachers can post assignments, videos and PowerPoint lessons for review by their students; and students can upload assignments to their teacher and collaborate online with their classmates in a secure environment.

The district purchased online access to Rosetta Stone, the language learning site. Rosetta Stone offers supplemental materials for students taking Spanish or French in the District and for English Language Learners. Other options for using Rosetta Stone include using it for enrichment with students or as an independent study opportunity in areas of language that the District currently does not offer.

The District will be updating all of the wireless access points and data switches in the District during the coming months. Replacement of these pieces of equipment will make network traffic quicker for all users.

School Physicals Provided

Mandated school physicals are provided to students through Olean City School Health Services throughout the school year. School physicals are mandated for new entering students, as well as those students in grades 2, 4, 7, and 10. Parents may have their child’s personal physician provide the physical if they choose to do so at their own expense, or have the physical at school free of charge. Please call your child’s school nurse for the physical form if you choose to use your personal physician.

District Evacuation Drill

Parents are advised that Olean High School will conduct a building evacuation drill during the school year. Students will be relocated, under supervision, to an off-site facility for a period of time during the drill. This evacuation drill is intended to be a proactive response plan in the event of an emergency situation.

School districts across New York State are required to conduct one full evacuation drill and several lower-scale emergency drills throughout the school year.

Custodial Paperwork

If you have custodial paperwork for your child, you should provide your child’s school with a copy. Without the custodial paperwork on file, the school assumes that both parents have full rights. For your child’s safety, if an order of protection exists, please submit a copy to your child’s principal.

If you are a non-custodial parent who would like to receive information regarding your child’s academics and invitations to parent-teacher conferences, you should submit an annual request to your child’s principal.

Update Contact Info

Attention Parents/Guardians: If you have changed your address, phone number, or acquired a cell phone, please make sure to notify the school office so that we have up-to-date information.

School Closing Notices

The Olean City School District will announce school closings or delays on TV channels 2, 4, 7, and 9 as well as on radio stations WBEN, WLSV, WMXO and WPIG.

From the Superintendent

Reflecting on the excitement of another new school year

By Dr. Colleen Taggerty, Superintendent

As summer comes to an end and the 2013-14 school year begins, I ask that we all take the time to reflect on the joy that the summer months have provided and the excitement that will come with the beginning of a new school year. What is exciting about a new school year you may ask? In my opinion, everything is exciting. A new school year provides us with an opportunity to start fresh. Teachers have new students; students have new classes and new teachers. Most importantly to me, I have the ability to meet more of the students we serve and provide for innovative programming to meet their needs.

A new school year also bring with it new learning experiences. And as B.B. King once stated: “The beautiful thing about learning is that no one can take it away from you.” To ensure the success of each student, your child(ren) must understand the importance of an education. Education is the value added to a person’s quality of life. Learning does not always come easy; therefore, it is critical that the school and parents work in unison to offer supports throughout the educational career of each child.

Thank you for entrusting your children to the Olean City School District. I have total confidence that each will find their own path to success. They will do so through the delivery of a quality education and the guidance they receive from you.

‘Students of the Year’ Named for JCC College Connections

Congratulations to Mike Materna (Senior, pictured upper right) and Sarah Knieser (Junior, pictured lower right)!!! Mike and Sarah were selected to receive the Student of the Year Award based on their willingness to embrace the challenges of completing college-level work while in high school, their perseverance and integrity in and out of the classroom, and demonstrating their dedication to the learning process.

Accounting teacher Mrs. Frentz said, “Mike puts forth extra effort and always comes to class prepared and ready to learn. He is a dedicated accounting student.”

French teacher Mrs. Napoleon describes Sarah as “an interested learner (who) works beyond the classroom walls to keep current and informed.”

Focus District Committee Continues Efforts at OIMS

As part of the Board of Regents Reform Agenda and accountability system, the New York State Education Department establishes targets for student proficiency in English Language Arts, mathematics and student graduation rate. When groups of students do not meet specific achievement levels, school districts are identified to develop supports and interventions to enhance and expand learning opportunities for students, as well as increase parental involvement and engagement. Based on 2010-11 state assessment data, students who were economically disadvantaged did not meet the state expectations for proficiency in English Language Arts and mathematics. As a result, the Olean City School District was designated a Focus District during the 2012-13 school year.

As we begin the second year of the process, the Olean Intermediate-Middle School will continue to undergo a review to strengthen and support efforts in curriculum, instruction, and assessment. This will include professional development, academic intervention, and data analysis to help students achieve higher scores. As a parent, it is vital for you to be involved in your child’s educational program. We value parent and community involvement in parent programs, parent-teacher conferences, use of parent portal, and participation in District committees, such as the Comprehensive District Educational Plan (CDEP), Focus District Committee and building level teams. Updated information regarding this process can also be found on the district website: www.oleanschools.org/focus. If you have any questions or would like additional information, please contact your building principal or Jen Mahar, District Coordinator for State and Federal Aid Programs, at 375-8039.

Continue Successful Shared Transportation

The sharing of transportation services with our neighbors in Portville and Hinsdale continues to be a win-win. With the dedicated work of all three schools' staff, this shared service has given all three schools an opportunity to become more efficient and save money.

Several team meetings were held throughout the year to work on issues and brain storm ideas on how to continue this success. Safety was one topic high on the agendas. In the OIMS and both elementary buildings, signs designating bus drop off and pick up lanes were posted, along with “Yield to Bus” signs. Please remember if you are picking up your child(ren) at a school, the buses always have the right of way. This is for everyone’s safety that the bus lanes and yield sign are followed by everyone. Also at a team meeting, the transportation supervisors were able to determine that through combining a route, there would be one less route needed for the 2013-14 school year.

Letters stating specific information for your child(ren) will be sent home in August. The individual letters will include the following specifics to help identify the students’ individual bus information: Estimated pick up time, pick up location, bus number, animal picture on the elementary bus only and school bus name. Your child(ren)’s bus name could be Olean City School District, Portville Central School or Hinsdale Central school.

The safety of your child(ren) is paramount. Here are a few safety tips for children at the bus stop:

- Stay on the sidewalk and don’t play in the street.
- Stay back from the curb as the bus approaches.
- Always cross the street in front of the bus.
- When you get off the bus, move away from the bus.

Whether your child(ren) rides the bus or walks to school, please remind your child(ren) to follow a few basic safety tips:

- Cross streets at the corner.
- Use crosswalks whenever possible.
- Obey traffic signals.
- Look both ways before crossing the street by using the “Look left, right and left again” approach.
- Stay on the sidewalk.

The new transportation guidelines are listed below. Please contact Kathy Elser or Tiana Howden at (716) 375-8020 with any busing issues, questions or concerns.

BUS TRANSPORTATION

Eligibility Policy is as follows:

- Kindergarten – 7th Grade
  - Students whose residence from “home school” is over 1 mile.
  - Out of neighborhood students are not eligible for busing unless required by CSE.
  - Any student whose IEP requires busing and is requested by CSE is deemed eligible.

- Grades 8-12
  - Busing is provided for students who live outside the City of Olean, unless otherwise directed by the Committee on Special Education.
  - Any student in Grades K-3 must have an adult visible to the bus driver before the child is to be released off of the bus.
  - If an adult is not visible, the child will remain on the bus until a parent/guardian is notified with instructions for drop off.
  - If a child misses the bus, it is the parent’s responsibility to transport that child to school. The bus will not come back to pick him/her up.
  - If a child does not ride the bus for 5 consecutive days without prior notice to the Business Office, that child will be removed from the bus list.
  - This child will be added back on the bus list when notice is received by the Business Office.

- Security cameras are installed on all buses for your child’s safety.

- In the event of a snow day, please remember that Olean, Portville and Hinsdale are separate school districts. If one is closed, it does not constitute the others being closed. Please watch/listen to school closing reports for this information.

- A child must have only 1 address for pick up and drop off for the school year.
  - If your address changes at any time during the year (move), please notify the Business Office immediately to change the busing address and to determine if the child remains eligible to be bused.

- Please contact the Olean City School District Business Office directly with any busing issues, questions, or concerns at 716-375-8020.

Dear Parent/Guardian:

Children need healthy meals to learn. The Olean City School District offers healthy meals every school day. Costs for meals are as follows:

Breakfast – High School $1.40, Grades 4-8 $1.30 and Elementary School $1.25; Lunch – High School $2.00, Grades 4-8 $1.90, and Elementary School $1.85. Your children may qualify for free meals or for reduced price meals. Reduced price is $0.25 for breakfast and $0.25 for lunch.

1. Do I need to fill out an application for each child? No. Complete the application to apply for free or reduced price meals. Use one Free and Reduced Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to your child’s school building secretary or mail to Olean City School District, C/O Judy Lewis, 410 West Sullivan Street, Olean, NY 14760.

2. Who can get free meals? All children in households receiving benefits from SNAP, the Food Distribution Program on Indian Reservations or TANF, can get free meals regardless of your income. Also, your children can get free meals if your household’s gross income is within the free limits on the Federal Income Eligibility Guidelines.

3. Can foster children get free meals? Yes foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income.

4. Can homeless, runaway, and migrant children get free meals? Yes, children who meet the definition of homeless, runaway, or migrant qualify for free meals. If you haven’t been told your children will get free meals, please call or e-mail Mia O’Brien, Homeless Liaison, at 716-375-8097 to see if they qualify.

5. WHO CAN GET REDUCED PRICE MEALS? Your children can get low cost meals if your household income is within the reduced price limits on the Federal Eligibility Income Chart, shown on this application.

6. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE APPROVED FOR FREE MEALS? Please read the letter you got carefully and follow the instructions. Call the school at 716-375-8036 with any questions.

7. MY CHILD’S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT ANOTHER ONE? Yes. Your child’s application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.

8. I GET WIC. CAN MY CHILD(REN) GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out a FREE/REDUCED PRICE MEAL application.

9. Will the information I give be checked? Yes and we may also ask you to send written proof.

10. If I don’t qualify now, may I apply later? Yes you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit.

11. What if I disagree with the school’s decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to Dr. Colleen Taggerty, Olean City School District, 410 W. Sullivan St., Olean, NY 14760, Phone: 716-375-8018 or Email: CTaggerty@olean.wnyric.org

12. May I apply if someone in my household is not a U.S. citizen? Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced price meals.

13. Who should I include as members of my household? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children living with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.

14. What if my income is not always the same? List the amount that you normally receive. For example, if you normally make $1000 each month, but you missed some work last month and only made $900, put down that you made $1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

15. We are in the military. Do we include our housing allowance as income? However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.

16. My spouse is deployed to a combat zone. Is her combat pay counted as income? No. If the combat pay is received in addition to her basic pay because of her deployment and it wasn’t received before she was deployed, combat pay is not counted as income. Contact your school for more information.

17. My family needs more help. Are there other programs we might apply for? To find out how to apply for SNAP or other assistance benefits, contact your local assistance office or call 1-800-342-3009.

August-September 2013
**How to Apply:** To get free or reduced price meals for your children, you may submit an Eligibility Letter for Free Meals/Milk (formerly Direct Certification Letter) received from the NYS Office of Temporary and Disability Assistance; OR carefully complete one application for your household and return it to the designated office. If you now receive Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance to Needy Families (TANF) for any children, or participate in the Food Distribution Program on Indian Reservations (FDPIR), the application must include the child’s names, the household SNAP, TANF or FDPIR case number and the signature of an adult household member. All children should be listed on the same application. If you do not list a food stamp, TANF or FDPIR case number for all the children for whom you are applying, the application must include the names of everyone in the household, the amount of income each household member, and how often it is received and where it comes from. It must include the signature of an adult household member and the last four digits of that adult’s social security number, or check the box if the adult does not have a social security number. An application that is not complete cannot be approved. Contact your local Department of Social Services for your food stamp or TANF case number or complete the income portion of the application.

**Reporting Changes:** The benefits that you are approved for at the time of application are effective for the entire school year. You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive food stamps.

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund shall not be considered as income for this program.

**Non-discrimination Statement:** The U.S. Department of Agriculture (USDA) prohibits discrimination against its customers, employees, and applicants for employment on the basis of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual’s income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)

If you wish to file a Civil Rights program complaint of discrimination, complete the USDA Program Discrimination Complaint Form (PDF), found online at http://www.ascr.usda.gov/complaint_filing_cust.html, or at any USDA office, or call (866) 632-9992 to request the form. You may also write a letter containing all of the information requested in the form. Send your completed complaint form or letter to us by mail at U.S. Department of Agriculture, Director, Office of Adjudication, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, by fax (202) 690-7442 or email at program.intake@usda.gov.

Individuals who are deaf, hard of hearing, or have speech disabilities and wish to file either an EEO or program complaint please contact USDA through the Federal Relay Service at (800) 877-8339 or (800) 845-6136.

USDA is an equal opportunity provider and employer.

**Meal Service to Children With Disabilities:** Federal regulations require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment which substantially limits one or more major life activities. Major life activities are defined to include functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. You must request the special meals from the school and provide the school with medical certification from a medical doctor. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical certification must contain.

**Confidentiality:** The United States Department of Agriculture has approved the release of students’ names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of Education programs used to determine areas such as the al-

**Notice to all applicants for Free and Reduced Price Meals**

After receiving this information, please return Direct Certification Letters or a 2013-2014 Family Application for Free and Reduced Price School Meals as soon as possible to allow time for processing. Delays in turning in your Direct Certification Letter or Family Application could result in meal charges being applied to your child’s account. In order to prevent this from occurring, please turn in the Direct Certification Letter or Family Application as soon as possible. For families who were eligible for free and reduced meals last year, a new application must be completed and approved by the District. Your children will be allowed to receive free or reduced meals until October 1st, but we strongly encourage each family to fill out a new application prior to the start of school in order to avoid the possibility of a lapse in eligibility. Meals provided to children that are eligible for free or reduced lunch after October 1st, without a new application, must be paid for and will be the responsibility of the parent/guardian. If you have any questions regarding Direct Certification Letters or Family Application, please call 716-375-8007.

**Food Stamps or Temporary Assistance to Needy Families (TANF)**

Dear Parent or Guardian,

If you receive food stamps or Temporary Assistance to Needy Families (TANF), you may receive a letter in August from the NYS Office of Temporary and Disability Assistance that will simplify the process for your child or children to receive free meals at school. If you take or send the letter to the Olean City School District; Food Service Office, 410 West Sullivan Street, Olean, NY 14760, or take it to the main office of the school your child attends, your children will receive free meals without your having to complete an application. You will only receive one letter. If you lose it, it will not be replaced. If you do not return the letter to the school, you must fill out the Free and Reduced Price Meal Application in order for your children to receive free meals.

Please call 716-375-8007 if you have any questions.

To apply for free and reduced price meals, submit a Free Meals/Milk Eligibility Letter received from the Office of Temporary and Disability Assistance or complete only one application for your household using the instructions. Sign the application and return the application to either your child(ren)’s school or the Olean High School. If you have a foster child in your household, you may include them on your application. A separate application is no longer needed. Call the school if you need help at 716-375-8036. Ensure that all information is provided. Failure to do so may result in denial of benefits for your child or unnecessary delay in approving your application.

PART 1
ALL HOUSEHOLDS MUST COMPLETE STUDENT INFORMATION. DO NOT FILL OUT MORE THAN ONE APPLICATION FOR YOUR HOUSEHOLD.
(1) Print the names of the children, including foster children, for whom you are applying on one application.
(2) List their grade and school.
(3) Check the box to indicate a foster child living in your household, and check the box for each child with no income.

PART 2
HOUSEHOLDS GETTING SNAP, TANF OR FDPIR SHOULD COMPLETE PART 2 AND SIGN PART 5.
(1) List a current SNAP, TANF or FDPIR (Food Distribution Program on Indian Reservations) case number of anyone living in your household. Do not use the 16-digit number on your benefit card. The case number is provided on your benefit letter.
(2) An adult household member must sign the application in PART 5. SKIP PART 4. Do not list names of household members or income if you list a SNAP, TANF or FDPIR case number.

PART 3
Before completing an application for a child who may be homeless, a migrant education student, or a runaway, please call your school’s homeless liaison or migrant education coordinator at this number: Mia O’Brien, Homeless Liaison Coordinator, 716-375-8097.

PARTS 4 & 5
ALL OTHER HOUSEHOLDS MUST COMPLETE THESE PARTS AND ALL OF PART 5.

(2) Write the amount of current income each household member receives, before taxes or anything else is taken out, and indicate where it came from, such as earnings, welfare, pensions and other income. If the current income was more or less than usual, write that person’s usual income. Specify how often this income amount is received: weekly, every other week (bi-weekly), 2 x per month, monthly. If no income, check the box. The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care and Development Block Grant, TANF and At Risk Child Care Programs should not be considered as income for this program.
(3) The application must include the last four digits only of the social security number of the adult who signs PART 5 if Part 4 is completed. If the adult does not have a social security number, check the box. If you listed a SNAP, TANF or FDPIR number, a social security number is not needed.

OTHER BENEFITS: Your child may be eligible for benefits such as Medicaid or Children’s Health Insurance Program (CHIP). In order to determine if your child is eligible, program officials need information from your free and reduced price meal application. Your written consent is required before any information may be released. Please refer to the attached parent Disclosure Letter and Consent Statement for information about other benefits.

PRIVACY ACT STATEMENT: This explains how we will use the information you give us.

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number are not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We may share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

Neighborhoods Come Together for “New East View”: Last year was an exciting year for everyone at East View Elementary School. School personnel, students, parents, and community members from three former school neighborhoods came together and successfully formed the New East View. Teachers and support staff came together and formed new school committees to help address the many needs and activities for the building, such as the Positive Behavior “Bee Keepers” program. Parents and school personnel merged and reorganized a new Parent Teacher Organization (PTO). This group planned and held monthly family events, such as Book Bingo, ice skating, and a YMCA Fun Night. Students and their teachers met and made new friends, developing those relationships as the year progressed. Though we are still growing, our new East View family is poised to begin a new, productive, and enjoyable school year together.

Join Us for Open House on September 24th! East View Elementary will hold its Open House on Tuesday, September 24th (time to be determined). The goal of the evening is to acquaint you with the staff, facility, and programs offered at East View. We look forward to meeting you! See you there!

New Commencement Credential for Students with Disabilities

By Marcie Richmond, Director of Special Education

“The New York State Board of Regents has approved regulations that establish an important new exiting credential for students with disabilities. Beginning with the 2013-14 school year and thereafter, students with disabilities will be able to earn a New York State Career Development and Occupational Studies (CDOS) Commencement Credential. This credential will recognize each individual student’s preparation and skills for post-school employment. Some students in the past graduated with an individualized education program (IEP) diploma and that option ended June 30, 2013. This credential will provide a more meaningful substitute for these students. For students with disabilities who are exiting with a regular high school diploma, this provides them with an additional opportunity to exit school with a credential that also recognizes the students’ work readiness skills.” (June 2013 Special Education Field Advisory from NYSED)

Some of the criteria for this credential include:
- Have attended 12 years of school excluding Kindergarten
- Be provided opportunities to earn a diploma
- Creation of a career plan
- Have successfully completed 216 hours of CTE coursework and/or work-based learning experiences (of which at least 54 hours must be in work-based learning experiences)
- Completion of an employability profile

A second option is to meet the requirements for a nationally recognized work readiness credential. The focus of this credential is to provide students with work readiness skills to help them be more successful upon graduation. We will be looking for experiences both within the school district as well as out in the community for students to get these experiences. The students will be provided school staff to support them in these experiences to help ensure success. If you are affiliated with a local business and would like to partner with us to provide our students with some meaningful hands-on experiences, please call me at 375-8995 for more details.
Welcomed Additions to Washington West:

Mrs. Laurie Marsfelder started her career as a first grade teacher at Friendship Central School in 2001. She maintained that position for four years and then began teaching for the Olean City School District in 2005 where she taught kindergarten at North Hill. Mrs. Marsfelder then moved to East View, where she co-taught in an integrated kindergarten class for four years with Mrs. Colleen Deibler. She continued in that position until she transitioned into the role of Literacy Coach as part of the Early Reading First Program. Mrs. Marsfelder is excited to now take on the role of kindergarten teacher here at Washington West. WW is close to her heart, as that is where her children attended elementary school. Welcome aboard, Mrs. Marsfelder!

Our new elementary guidance counselor, Mrs. Kelly Gumtow, received her master’s degree and advanced certification in counseling from St. Bonaventure University. She previously worked for OCSD as the school counselor at Washington West from 2007-2009. Since then, she was a substitute teacher and provided counseling services for Pre-K students. Mrs. Gumtow is looking forward to returning “home” as the full time school counselor at Washington West in the fall. Welcome back, Mrs. Gumtow!

Meghan Monahan, Administrative Intern at Washington West Elementary School, has been working with Principal, Linda Nottingham since February 2013. She is currently in the Educational Leadership program at Saint Bonaventure University and hopes to become an Elementary School Principal when she graduates in 2014. She is a Licensed Mental Health Counselor, holds her provisional certificate in school counseling, and is employed at Cattaraugus County Department of Community Services as the Early Identification & Recognition Specialist.
