

SUBJECT: CAREER AND TECHNICAL (OCCUPATIONAL) EDUCATION

The Board of Education recognizes the need for career and technical education and reaffirms its policy of strengthening the local high school career and technical education program through utilization of any available funds including but not limited to federal and state for that purpose and of supporting the BOCES program.

Equal Opportunity

The Board of Education adheres to the principle of equal educational opportunity for all students and prohibits unlawful discrimination in any career and technical education program or activity of this District.

The district shall make all reasonable accommodations necessary to ensure that the career and technical education program and/or activities are accessible to students with disabilities.

Public Notification

Prior to the beginning of each school year or academic semester, the District shall issue an appropriate public announcement which advises students, parents, employees and the general public that the district does not unlawfully discriminate in terms of access to career and technical education opportunities.. The designated Title IX/504/ADA officers for the District are: Mr. Aaron Wolfe and Ms. Cso Woodworth. The officers may be contacted at: (716) 375-8001 and/or via email at CivilRightsCompliance@olean.wnyric.org.

Grievance Procedure

Any complaint involving allegations of discrimination shall be handled in accordance with District Policy 8130, entitled "Equal Educational Opportunities."

Anyone wishing to file a complaint should contact one of the the designated Title IX/504/ADA officers for the District at the contact points above. **BOCES Advisory Council**

In accordance with Education Law, the Advisory Council of the BOCES is designated as the local Advisory Council for career and technical education in the School District.
